

Commodore's Message

Here it is—April 14th—and we have just signed our income tax forms along with a couple of checks for the I.R.S., something I really enjoy doing?! OH! WELL!! Also, we still have a few patches of snow on the ground—will the warm weather ever arrive?

Things are shaping up nicely as far as the summer programs go. All of the committee members, as well as the chairpersons, have been selected. I would like to take this opportunity to thank all of these individuals—for they are the ones who will assure us of a successful summer program. THANKS!!

The Tennis program again will be directed by Flip Goodspeed. We are very fortunate to have Flip back, as he did an excellent job for us during the past three summers. WELCOME BACK, FLIP!!

The sailing instructor will be Lars Noble, who has had extensive sailing experience at Northport Point. He, like Flip, is a student at Dennison University in Ohio. You will read more about Lars in another section of the BREEZE.

As you may or may not know, the Clubhouse now has a new roof with roof vents. These vents should help keep the building a little cooler when the heat of the summer arrives. The launching ramp should be installed and ready for use by June 1st. This will make it very convenient for club members with small boats, now it will mean not having to travel to Northport or Suttons Bay to get your boats in the water.

We haven't had the opportunity to visit Omena since last fall, so I don't know if there has been any ice damage—let's hope not!!

The calendar of events, which is listed elsewhere in the BREEZE, will give you an idea of the exciting summer that is ahead of us. My wife, Barb, has been working like a little beaver trying to organize these different events and functions. In fact, she deserves half of my commodore's salary.

If you have any suggestions on improving our club, please let me or one of your Board members know of them. We

Continued on page 3

Ready and Waiting!

Introducing . . .

Lars Noble, 1982 sailing director of O.T.Y.C.!! Lars is currently a student at Dennison University in Granville, Ohio along with Flip Goodspeed. He is a political science/psychology major involved in student government, ice hockey and lacrosse. Lars and his family live in New Haven, Connecticut but have been coming to Northport Point for the summer for the past 35-40 years. His father and younger brother, as well as Lars, have been very involved in sailing and racing at the Point. Lars has been sailing all of his life during the summers at Northport. He has raced Sunfish, Lasers, Laser II's, and Hobie Cats. He has also sailed Lightnings and a 26 ft. Pierson. He will be teaching the traditional art of sailing as well as setting up fun races for the children to help them use their abilities. We are looking forward to having Lars with us this summer.

Flip Goodspeed will be returning as Tennis Director. He needs no formal introduction to O.T.Y.C. members! Flip writes that he is looking forward to working together with Lars and making this one of our best summers ever!!

Founder's Fund Report

The O.T.Y.C. Founders' Fund is neither tax deductible nor the participant in a "matching funds" program. Hence, growth is slow and dependent on the generosity and/or specific interest of the individual members. Since inception in 1975, the account read as follows per donor's instructions:

Clubhouse	\$125.00
Sailing & Waterfront	-0-
Tennis	100.00
un-specified	2030.70
(includes Founder's Dinner proceeds)	

Building on interest alone, this figure has increased to a Founders' Fund total of \$3,181.96. It is invested approximately 40% Certificate of Deposit, 40% Government Money Market Fund and 20% Savings Account.

Slow as the growth appears, it was intended for the long, long range (generations). Happily, the club itself has shown sufficient vitality to handle year to year problems. May it always be thus.

John E. Roth
Treasurer, Founders' Fund

THE OMENA - TRAVERSE YACHT CLUB BREEZE

Official organ of the Omena-Traverse Yacht Club, authorized by its Board of Directors in 1948, published twice yearly.

Vol. 1, No. 1 published February 1949 (Leelanau Yacht Club News, Vol. 1, No. 1 published October 1947.)

Printed in Traverse City, Michigan by Taylor Printing Company and mailed from Omena, Michigan.

Subscription: \$4.00 per year

Editor: Carolin Renz

Asst. Editor: Lillian Taylor

OFFICERS

Commodore: John P. Harris
Vice Commodore: Kathryn Bosco
Rear Commodore: Harold Grossman
Secretary: D. J. St. John
Treasurer: Jim Gregory

Board of Directors:

Terms ending September 15, 1982:
James Gregory
Suzanne Mulligan
Martin Oetting

Terms ending September 15, 1983:
Harold Grossman
D. J. St. John
John Harris

Terms ending September 15, 1984:
Kathryn Bosco
Caroline Oberndorf
William Renz

NOMINATING COMMITTEE REPORT

The membership and nominating committee wishes to recommend the following slate of candidates for O.T.Y.C. board members, terms to expire September 15, 1985:

ROBERT WEISS
JAMES GREGORY
FREDERICK SCHWARZE

Candidates will be voted upon at the Annual Meeting, July 21, 1982

Nominating Committee:
Joan Roth, Chairperson
Nancy Weiss
Barb Harris

SCHEDULE OF FEES

Permanent Membership:
Family Initiation Fee (including children up to 25 years of age): \$250.00
Adult Annual Dues (ages 24 or more as of Jan. 1 55.00
as voted by the Board in 1981)
Junior Annual Dues (ages 14 to 23 as of Jan. 1): 10.00
Guest Membership:
Adult Dues per week: \$15.00
Junior Dues per week: 5.00

Sailing Scoop

As I emerge from the coldest winter in Chicago history, my thoughts again turn to another delightful summer in Omena.

I have been commissioned by your Commodore to serve as your Sailing Chairman for the coming summer. As in the past, our Sunfish fleet racing schedule will begin the week of July 4. There will be at least one change in format from prior years: We will have two three-week sessions, with awards for each, rather than a July series and an August series. There will be separate adult and children racing, and we will try to do so twice per week. Our new sailing instructor, Lars Noble, will assist in the racing events.

I have selected Tuesday, August 3, as the night for our annual Moonlight Regatta. A local astronomer has calculated that there will be a full moon that evening.

I make one urgent request. A number of you who raced last summer had not paid your dues by September, and were billed for them by the Club Treasurer. If you have not done so, please settle these accounts now. In fairness to those who have paid, we must insist that you settle your account before racing this summer. We do have expenses, which the dues are designed to cover.

My committee this year will include Linda Cherne, Stu Mulligan, Drew Ehrhardt, Craig Cherne and Tim Weiss. I plan to be in Omena from mid-June to mid-August and am looking forward to a great season on the water. I hope that as many of you as possible can be a part of the program.

Further details of our sailing season will be provided at the Opening Dinner.

John Ray

TENNIS

NEWS

With apologies to everyone for this late report of the 1981 tennis season—it was written but not posted:

The 1981 tennis season, again under the guidance of Flip Goodspeed, was very active. An average of 18 youth members took lessons four mornings a week. Flip ran an adult clinic and gave private lessons in the afternoon. A July tournament was played and medals given to the following winners:

Advanced:	Jeff Bosco—	1st
	Paul Harris—	2nd
	Charlie Mercker—	3rd
Intermediate:	Tim Harris—	1st
	Susan Oetting—	2nd
	Cindy Harris—	3rd
Beginning:	Leigh Anne Leathery—	1st
	Peggy Ehrhardt—	2nd
	Kathy Oetting—	3rd

The August tournament was not held this year due to lack of participants, many of whom were working in the cherry factory or had gone home. However, Flip gave "most improved" and "good sportsmanship" awards to Paul Harris, Tim Harris, Sarah Hodgson and Julie Townsend.

A new weekly Round Robin tournament was set up each Friday afternoon and proved to be very popular.

So much for last season! We are looking forward to another busy summer on the courts. And, luckily, to spark the whole program will be Flip Goodspeed, returning for his fourth year!

Not much else to report at this time. Just pack your racquets and come ready for some action. There should be something for everyone!

—Jonnie Hodgson

•••COMING ATTRACTION•••

SUMMER DANCE

Saturday, August 7, 1982

Dance to the music of

Dave Sporny's Band

BEAUTIFUL MUSIC in BEAUTIFUL SURROUNDINGS
LATE NIGHT BUFFET

Come and Enjoy!!

Further details will be posted on the Clubhouse Bulletin Board

News About Members

Marjorie & Andy Renz went to Florida after Christmas for a two week rest—and came back five months later! They are looking forward to a full summer at Omena, as Andy has finally retired. Both are enrolled in an aquatics exercise class at the Naples YMCA, sponsored by the Naples Arthritis Interest Group. For the "twinges in their hinges", they attend three times a week.

Leona Milroy had two of her grandchildren with her over Easter - Paul Stretch, a student at Lovola University in L.A. and Adrienne Stretch from St. Louis. Bill Milroy's birthday was April 10th and Leona's the 11th, so it was a grand Easter celebration for all of them. Another highlight of Leona's winter was a visit with Whit & Irma Laming and Liz Clark, lunching with them at the Horizon Country Club.

Leona plans to drive to Michigan again this summer with her friend Catherine, spending time in Aspen and Chicago along the way. Before that, though, she will squeeze in a trip to Las Vegas and a Caribbean cruise to Jamaica!

Jonnie and Sarah Hodgson spent their spring vacation in Houston visiting Pam and Geof. Neither Jonnie nor Sarah had ever been to Texas before and they say all the highlights even working in a side trip to San Antonio with Louise Huss Merrick. Meanwhile, back at the ranch (New York, that is), Sarah's collie delivered seven pups, which is certainly keeping the Hodgsons busy!

The Rule family is planning another reunion in Omena in August. They are expecting about 50, but the number keeps increasing. So far they will be filling up three cottages.

Dan & Eloise Bradley have no news to report, but they are looking forward to seeing everyone this summer.

Fred & Ruth Gorham were in Minnetonka helping out with the arrival of Michael & Mary's third daughter (that makes seven grandchildren, all girls) the first part of April. In March they had a dandy visit with the Grossmans who went south for a respite from the snow and cold. Besides showing them the sights of Kerrville, they took a 5 day trip to the Rio Grande Valley, then northward along the coast to Houston, then northward again through the Piney Woods country which is similar to Leelanau County without the beautiful surrounding water. By mid-June or thereabouts, they plan to have fresh tomatoes, beans, okra, beets, etc., so it is obvious the Gorhams' green thumbs went to Texas with them.

The Finns have been really enjoying themselves this past winter, especially when they heard all the stories of what had been going on winterwise on the Mainland. Hawaii did have less sun this past winter than anytime in 50 years, but it was still 80° all the time so they are not complaining.

Cynthia and her college roommate visited the Finns for a couple of weeks in February, also a week's visit from granddaughter Cindy. In May, Crammy Jr. and Pat will be visiting for two weeks. In between relative visits, Marion and Crammy enjoyed many community plays, the symphony and their three clubs.

Blanche Moore writes that she wishes they were coming to Omena to see all the old friends, but they expect to stay in La Jolla for the summer. Earl Moore had back surgery in mid-March and is doing very well, but there will still be no traveling for them. Vin's family plan to spend some time at Omena this summer, though, so we can look forward to visiting with them.

The Rays spent a most delightful first week of April on Sanibel Island. Temperatures were in the 80's continuously and it rained only once—and that was at night. Even a full moon. They visited the senior Renz in Naples and saw Judy and Ed Coughlan on Sanibel. They plan to be in Omena from mid-June to mid-August.

Rat and young Billy went to Denver in January for Stewart & Jill Smith's wedding. First trip for Billy and only the second for Rat, so they had a great time "doing the town" including a trip to the mint and several side trips to surrounding towns. It was quite a Smith family get together, with Tom & Mary there along with Debby & Les Disch, Rink, Jo, Manie & Mark. Cynnie flew in from Seattle for the occasion too so it was really a fun excursion. Renz are now looking forward to Cynnie & John coming home for Billy's graduation Memorial Day weekend. Andy is home for the summer, arriving with the news that he will be president of the Sphinx Club of Wabash for the coming year.

Peg Morse got a new hip in Waco in December; still on a cane, but will be in Omena with Jane Saxton from the middle of June to August 1st. Suzy Saxton, Stuart Saxton Gulsby and her new husband, Bill, will spend the third week of July with Peg, followed by Tom who will drive her home.

Dr. John Kemble was on a 60 day around-the-world cruise and disembarked in Southampton, England, just before the commissioning of his ship, the "Canberra" for service in the Falkland Islands.

The Vernon Keyes have returned home after their three and a half month stay in California. While there they visited Cleme-well Lay who now resides at the Mt. San Antonio Gardens retirement home.

Chris Misangyi is home from Hawaii where she spent the winter, months enjoying her grandchildren and family there.

A week-long Caribbean cruise at the end of March was enjoyed by Lillian Taylor. She was accompanied by her daughter, Anne Cain, from San Francisco. After the cruise Lillian visited her brother in Pompano Beach for several days, then came home in time to fly to New York to spend the Easter week-end.

The Lewis family is certainly busy! Bob is finishing a research paper on "Betatron Motion" and preparing for exam week at U. of M. Trudy spent a week camping with the students at Bach Elementary School where she teaches 1st grade. They are looking forward to summer, but wish it were longer, as they must spend most of June in Ann Arbor, then plan two weeks in Scandinavia in August, so it looks like just two weeks at Omena for them.

Lewis children also active. Rob moved to Oklahoma in March. Laura & Bruce both work in Ann Arbor. Susan and her husband Tom are back from the Virgin Islands and "Dr. Susan" is now working at a Veterinary Clinic in Annapolis, Maryland while Tom is preparing to run the Lewis' schooner, "Boreas" as a day charter business in Chesapeake Bay. Natalie & Jim McClure are established in Palo Alto, California.

In Memoriam

Mary F. Foltz

Mary F. Foltz, a long time resident of Omena, died Saturday, the 8th of May, 1982, at Leelanau Memorial Hospital. She was 81.

Born in Chicago on August 1, 1900, she was the daughter of Dr. and Mrs. Frederick C. Schaefer. In 1936 she married Benjamin Foltz, who preceded her in death in 1974. She was also preceded in death by two sisters, Doris and Hortense Schaefer and her brother Frederick Schaefer.

She was a member of the Suttons Bay Congregational Church, the Zonta Club of Traverse City, the Omena Women's Club, the Leelanau County Historical Society, the Friendly Garden Club of Traverse City and was a former member of the Michigan State Indian Commission.

Mary was a founder and charter member and instrumental in the launching of the Omena-Traverse Yacht Club. She contributed her labors and many talents to the benefit of the Club through her years on the House Committee. Among her major projects were the remodeling and redecorating of the snack bar, new stage curtains and the beautiful wheel chandeliers for the dining room lighting. She had also been an ardent sailor of her "Lightning" and she and her brother, Frederick had participated in the races of that Class.

Through her knowledge and distinctive architectural ability many of this area's residents are living in beautiful homes of her design. Her efforts and contributions to the Civic betterment are known throughout Leelanau County.

She is survived by a niece, Mrs. Ward (Marianne) Donahue, of Naperville, Ill. Private graveside services were held May 12th at the Omena Hillcrest Cemetery.

She will be remembered and missed by her many friends.

EDITOR'S NOTE:

It has always been our policy to get the spring edition of the BREEZE in the mail by May 31st. Your copy may arrive a little later this year. For those of you who responded with news or reports, we thank you. We also want to remind all of you that the lead time for the BREEZE is one month—which means that the editor should have everything typed and ready to mail to Traverse City one month ahead of BREEZE mailing date. Not only was the editor slow this spring in coordinating the articles, but also the last report arrived in Cincinnati May 20th. We apologize for the later mailing date; the membership is responsible for any brevity of news. See you in Omena soon!

Portrait of Dr. Robert A. Lyon, formally presented to the College of Medicine of the University of Cincinnati on October 29, 1981.

Dr. Lyon, one of our early O.T.Y.C. members, was a member of the University of Cincinnati Department of Pediatrics for over 50 years, during which time he was Associate Chief of Staff at Children's Hospital for 13 years. In addition, he was Medical Director of the Children's Convalescent Home and Medical Director of the Children's Heart Association for 32 years.

In honor of his service, a Robert A. Lyon lectureship has been established at Children's Hospital Medical Center in Cincinnati.
