Message

Possibly, just possibly, spring may be here. First, we didn't have any winter to speak of, then we had more snow in April than we did during the winter months. It has to get better, maybe by July.

Things are progressing fairly well as far as the summer programs are concerned. The various committees, chairpeople and members have been selected. I would like to take this opportunity to thank all of those individuals, for they are the ones who will make the 1983 O.T.Y.C. season successful.

After much paperwork, rendering of drawings, phone calls to the DNR and the U.S. Army Corps of Engineers, we finally have the needed permits to have our ships dredged. From all the red tape we had to go through, one would think that we were going to build a sixty-slip marina and completely dredge Omena Bay. Bureaucracy!!

Bob Harper, chairman of the House and Grounds committee, has had the following improvements made in the clubhouse: a permanent light fixture has been installed at the top of the stairway, controlled by a switch on the wall on the first floor; the supports for the balcony have been replaced (per sketch supplied by Bob Bailey) and the balcony railing has been repaired and reinforced; the support beams under the eastern part of the roof over the second floor, which were sagging, have been reinforced (also per Bob Bailey's suggestion); a split rafter which was nearly ready to fall over onto the second floor have been repaired. THANKS, Bob Bailey and Bob Harper!!

Neither Flip Goodspeed nor Lars Noble will be returning this summer as directors of the tennis and sailing programs. Both felt it was time to move on into their selected fields of endeavor. I want to wish them well and thank them for doing an excellent job. I am sure they will be missed by the Club members.

The 1983 tennis program will be directed by another Goodspeed, Tom, that is, Tom is presently attending Williams College, Williamston, Mass. He is 20 years old and is a member of the "tennis" family of Goodspeeds. The report from

At The Commodore's Reception

the tennis committee assures me that he will be an able replacement for his older brother. Tom will be the third Goodspeed to direct our tennis program.

The sailing program will be under the direction of an individual who has been a Club member and involved in the sailing program at O.T.Y.C. for many, many years. The new sailing instructor is none other than Kevin Ray. Kevin has his senior lifesaving certificate and will be receiving his WSI (water safety instructor) certificate this spring. He has been a swimming instructor, working with 6-13 year olds, this past winter in Wilmette. He has also received the highest Scouting award—the Eagle. Kevin is planning to attend Albion College this fall.

I would now like to take the opportunity to welcome both of these young

men as the new instructors of the tennis and sailing programs at O.T.Y.C. I am sure that with our help, cooperation and guidance they will do an excellent job.

The calendar of events, which is printed elsewhere in the BREEZE will give you an idea of the exciting summer that is ahead of us. My personal thanks to my wife, Barb, and Nancy Weiss for all of their time and effort in organizing this social calendar.

AGAIN, if you have any suggestions on improving our club, please let me or one of your board members know of them. We are looking for all the help we can get in improving the quality of our Club.

It's been a long winter and we are looking forward to our return to Omena. My personal regards to all O.T.Y.C. members.

REGISTRATION

Registration for summer program will be held on Sunday, July 3, 1983 at the O.T.Y.C. clubhouse. All interested persons are asked to come at that time—children and adults.
Lessons will be offered in tennis and sailing for adults as well as children. Your committee is asking each family who is going to take sailing to have its boats in the water and in the SUNFISH COVE at the club by Sunday, July 3, 1983. This will facilitate the starting of lessons on Monday, July 4, 1983.
A schedule and general information sheet will be available at the Opening Dinner as well as registration day. Let's make this another fantastic summer at O.T.Y.C. !!!

VOLUNTEERS NEEDED

NEW OWNERS WANTED

Opening of the O.T.Y.C. Clubhouse will take place during the week of June 27-July 1. If you are interested in helping, please contact Robert Harper, chairperson, House and Grounds Committee.

A new shipment of OTYC jackets and sweatshirts have arrived and are eager for new owners, so hold off any purchases at home and do buy from the club!

News About Members

Andy and Marjorie Renz spent the winter relaxing in Naples, Florida, after traveling around the country in December. They saw Agnes Barker while there and Holly spent a week with them. They look forward to arriving on Ingalls Bay early this summer.

Andy Renz graduated "cum laude" from Wabash College this spring and is still hopeful of entering medical school in the fall. Mid-August he plans to host a few Beta brothers on their way to convention on Mackinac Island. Billy is enjoying University of Tennessee where he is playing tennis, partying and has been elected to the executive board of his fraternity, Alpha Tau Omega. Cymie spent ten days in the midwest visiting parents on both sides of her family. On her return trip she was "bumped" in Dallas, giving her several hours to visit with Stuart Saxton Gulsby, showing again that Omena really does spread everywhere. Rat and Bill hope to be up for the 4th of July.

Kathy and Mike Bosco are busy, of course, but looking forward to another Omena summer. Kathy and at least some of the family will be up by the 4th of July with Jeff and Matt planning to work up here during cherry season. Jeff has been accepted at Baylor and will start in the fall. Missie transferred from American University to Sweet Briar in January and she loves it! Next year she will be an R.A. in the Senior dorm there. Mark is clerking in Texas this early summer and will be in Omena in August.

Hazel Taylor has been visiting her daughter Pat in Ocean Springs, Miss. since Hazel's 93rd birthday on March 23rd. Prior to that, Hazel visited Dick in Naperville, Ill. Dick's daughter Linda Ketting, her husband and two of Hazel's great grandchildren came from New Hampshire to visit Hazel and Pat over Easter weekend. Bill Kulick will drive Hazel to Omena after he finishes his second year of law school at Ole Miss. Bill has a summer job with a law firm in Oxford, Miss.

David Kulick is finishing his Architecture degree at Temple and will continue to work in the Temple University Architectural Planning Office in Philadelphia this summer, but he is hoping to join his mother and grandmother in Omena in August.

Pat will attend her Randolph-Macon College class reunion this May to "see how old everyone looks!" Her expected year's assignment in Washington D.C. for Ingalls Shipbuilding fell through because the Navy cancelled the cruiser design contract. Chris is helping her remodel houses and he does the maintenance work. Chris has led several Sierra Club outings.

Waldo Abbot writes that his O.T.Y.C. card has gotten Waldo and Ping into some of the most exclusive yacht clubs from Annapolis to St. Thomas. He hopes we reciprocate the same way to other yachting friends. August can't get here soon enough to suit them, as August is their month at Omena this year.

Fred and Ruth Gorham were in Omena in April, visiting the Grossmans and other Omena folk. They stopped off there enroute to Minneapolis where they attended a first communion of one granddaughter and saw the latest granddaughter. No grandsons as yet. Their eldest son has retired from the Army after 24 years and settled in San Antonio, only 60 miles from Fred and Ruth. They have hopes of doing some traveling this coming fall.

Chris Misanagi spent two months in Hawaii with only four rainy days and lots of fun. She spent the Easter holidays at Omena with her son, Pete, his wife Liz and Chris' one year old granddaughter, Kristin. Chris plans a trip to Alberta, Canada some time this summer to visit old friends and see Vancouver, among other places. She writes "Omena is turning into its promised beauty, and it is heartlifting to see little creatures come out of their hiding places and the flowers push up through the still cool ground. Rebirth is wonderful."

Kevin Ray has decided to attend Albion in the fall. (Because of its proximity to Omena, Kevin? Michael Ray will be spending July in the Tetons with a Wilderness Venture group. All the Rays went to Sanibel Island this spring and while there ran into the Oberdorfs and called on the senior Renz in Naples. Memorial Day will see the Rays at Omena, though I would think not yet for the summer.

Marion and Crammy Finn had a beautiful winter in Hawaii, with lots of company on and off. First Geoffrey and Tenley, then Cynthia and her old college friend (for the tenth visit!), then Michael and Ditter and children from England. Crammy Jr. and Pat expect to visit them in May. Crammy III gets his M.D. this spring and Ed graduates from U.C.S.D.

Rod and Fran Levereant are off to Spain this year, so we probably won't see much of them, but they claim it will be Omena next year, complete with casseroles, recipes from around the world! (Believe that and we'll tell you another.)

Scott Tomberger is in Spain now (or was when Mary wrote) and Ron and Mary spent a week of R&R in Mexico this spring. Karen graduates June 7th from Princeton University and her plans are to go to Hong Kong for two years. Omena in July for the Tonnebergers. They've moved again—new address elsewhere in BREEZE

Gennie and Harold Grossman write that the "snowbirds" are gradually returning to Omena, possibly bringing some sunshine with them. Harold had gall bladder surgery in February and now spends hours amusing himself with their new home computer. Gennie says he will happily demonstrate its capabilities (the computer's, not the gall bladder's) to any and all. Both Gennie and Harold are feeling fit now and looking forward to a good summer.

Walt and Bev Gardner are now receiving all their mail in Omena. They did spend two months away, including five weeks in Florida between Stuart and Boca Raton, seeing the Miami Boat Show while there. One week in Hilton Head, several days at Williamsburg brought the Gardners on a return trip through Cincinnati where they visited Alis and Landon Robinson and Blanche and Wes Huss. Somewhere in there they also spent a week in New York.

In early March Lillian Taylor spent a few days in Pompano Beach, Florida at the home of her brother, James Magdanz. While there she was joined by another brother who flew down from New Jersey for the brief re-union.

Elizabeth and Vernon Keye returned home the middle of April from a three month stay in California. The unusually heavy amount of rain did not deter them from enjoying a round of Symphony Concerts, Theatres and a wonderful Brunch on the Queen Mary docked at Long Beach. During their stay they enjoyed John Kemble's hospitality and several times weekly they visited cousin Clemwell Lay and Anne Wellington at Mt. San Antonio Gardens.

Blanche and Earl Moore will not be with us at Omena this summer, finding life somewhat easier in La Jolla, but they send their wishes to us all for a fine summer. The Moore cottage will be busy with three generations of Vin's family coming in late summer and July will welcome some of Mary's family including her two little grandchildren, Laura's son and daughter. They look for Bob from Colorado, Nancy from Atlanta, Laura from Dallas and Howard from California. Sounds like a full house to us!

Will wonders never cease? John Melville tells us that his "confirmed bachelor" son, Johnny, is engaged to be married in the fall. Lee Ann Deters is the bride to be—she teaches school in Covington and works certain days with the Hoxworth bloodmobile where Johnny met her. They will live in Ft. Mitchell following an October wedding.

31n Memoriam

1983 O.T.Y.C. Committee

Emily Nash Smith

Emily Nash Smith of Overlook Farms, Northport, a long-time member of OTYC died April 4 at Sarasota Memorial Hospital, Sarasota, Florida.

A resident of Northport since 1922, she had taught public school there before becoming a noted professional artist. She had a studio at Overlook Farms where she painted each summer. She was a member of the Northport Women's Club, the Northport Trinity Church, the Friendly Garden Club of Traverse City and the Omena-Traverse Yacht Club. She had spent the past 35 winters in Florida and in addition to belonging to the National League of Penn Women she was active in several Florida Art groups.

She was born in Tipton County, Indiana on May 19, 1897. In 1919 she married Thearl W. Smith, who preceded her in death in 1976. She was also preceded in death by a granddaughter, Thearla, in 1974.

Emily was an enthusiastic and loyal member of OTYC. She generously gave the Club a beautiful oil painting and for many years she provided, from her gardens, lovely arrangements of beautiful flowers for festive club occasions. This community has been enriched by her gracious contributions of her many talents.

She is survived by a daughter, Joan VarPelt, of Northport; a brother, Hugh Burkhardt of Traverse City; a grandson and two great-granddaughters of Northport. A memorial service will be announced.

Memorials may be directed to the Leelanau Memorial Hospital Northport, or to the Founders Fund, Omena-Traverse Yacht Club.

Fred L. Groll

Fred L. Groll, former OTYC member and member of the Board of Directors died February 11, in Cincinnati.

He had been a summer resident of Omena for 25 years. In 1981 he retired after many years as Accountant and Estate Certified Properties Manager of the far-flung Taft Estates. He was a Life Time and Honorary Member of the Institute of Real Estate Managers.

He is survived by his wife, Kay and one nephew. A brother had preceded him in death.

Interment was at the Spring Grove Mausoleum in Cincinnati.

In Sympathy

Sincere sympathy is extended to the Waldo Abbot family on the death of Waldo's sister, Priscilla.

Sympathies also are given to the Robert Lyon family on the death of Mrs. Lyon's sister, Margaret Dyer.

Both of the deceased had been longtime Omena summer residents.

Special Events Planned

Two special fund raising events are in the planning stages for summer, according to an announcement from the Social Committee.

The first, the Commodore's Reception and Founder's Fund Dinner, will take place July 16th. The evening will begin with a 5 p.m. Happy Hour—delicious hors d'oeuvres and canapes made by the Social Committee and served with your favorite O.T.Y.C. punch (or B.Y.O.B. if desired). Dinner will be served at 6:30 p.m. The complete roast beef dinner will be catered by Mr. and Mrs. Joe Reicha. All of this for the unbelievable price of \$8.00 per person! All profit from this evening will be donated to the Founders' Fund. For reservations and information phone Chris Misaugyi at 386-7338 or Nancy Weiss at 386-5673.

The second event will be a Super Summer Dance with late night buffet. The dance will be held on August 6, 1983 from 9 p.m. to 1 a.m. We guarantee a great time, super music by Pam Alfieri & Quintet and a DELICIOUS BUFFET. Tickets may be obtained from the Social Committee or by calling Chris Misaugyi, 7738, or Nancy Weiss, 5673. The dance will be our primary source of funds this summer, so buy your tickets early.

The Social Committee is working hard on these events. You are cordially invited to participate in making the summer of '83" the best yet.

Social Committee Report

O.T.Y.C. Social Calendar

The Social Committee members have been busy as bees preparing an especially nice opening dinner for Saturday, July 2, 1983.

The evening will begin with a 5 p.m. happy hour—set-ups and snacks are included in the price of admission. Dinner will be served at 6:30 p.m. Mr. and Mrs. Joe Reicha of Traverse City will cater our special dinner. They promise us the most delicious, old fashioned chicken dinner ever. After dinner we have planned a bit of entertainment and lots of pleasant conversation. Reservations are due no later than June 25, 1983. Please see flyer insert for details.

The increasingly popular Wednesday Pot Luck Suppers will resume July 6, 1983. Please remember to sign up on the Pot Luck list posted on the porch. An accurate attendance number is necessary to assure everyone a dessert.

"POTLUCK PARAMETERS" —

- A member is to bring a main dish in ample quantity to serve the number in his party plus eight others.
 - Appropriate attire for adults and children attending Pot Lucks is "neat but casual".
 - Happy Hour (the hour preceding supper) is a B.Y.O.B. affair. Ice and mixes will be available at the bar, as well as refreshments for children.
- Support the O.T.Y.C. Your club needs you.

Mackinac Trip

The Special Activities Committee has announced plans for a trip to Mackinac Island on August 12, 1983. This will be an all day trip by bus to Mackinaw City and then by ferry to the island. The bus will hold 46 passengers. We will need to know of your interest early in July. Watch for the sign-up sheet on the bulletin board in the clubhouse.

If we fill the bus, it will keep the cost down for everyone. So, at least let the Committee know if you are remotely interested in going.
