Commodore's Message

Omena Bay
Saturday, March 31, 1984

As we sit on our porch and look out over Omena Bay, Carla and I are again reminded of Omena's beauty. The blue water sparkles under thin layers of ice while the mouth of the bay is covered with a blanket of snow and ice. The contrast of the clear blue sky and the blue/white Bay against the gray/green tree line is magnificent. It is hard to imagine a more beautiful place on earth.

For those who are not in Omena during the winter, Christmas was a skier's delight. The heavy December snowfalls appear to have remained the entire winter, although there was not a lot of new snow after December. We are told that the ice has been out of the Bay twice already this year. Out over the back door, the two foot high snow drift is a reminder of how slowly our long, Michigan winter dies.

A brief tour of the Yacht Club indicates the club survived the winter in pretty good shape. Bob Harper, chairman of building and grounds, tells me the lumber is in for the new steps to the tennis court. The work should be underway in the next few weeks. The present steps are obviously on their last legs. Plans call for a thorough cleaning of the club in mid June. For those tennis enthusiasts who will be in the Omena area early, we plan to have the tennis courts ready to go by May 1st.

The club will be open and ready for use on Saturday, June 30, 1984. With July 4 coming in the middle of the week this year, your board has decided to set the opening dinner for Saturday, July 7.

The midweek arrival of July 4 placed us in a quandary as to when to start the youth activities (tennis and sailing). Some felt Monday, July 2nd was too soon while others felt Monday, July 9 was too late.

Being the skilled negotiator that I am, I have worked out a compromise (which probably will leave everyone unhappy). The youth activities will start on Thursday, July 5 and run for six consecutive weeks through Wednesday, August 15th.

The 1984 sailing program will again be under the able direction of Kevin Ray. Last year was Kevin's first year as our sailing instructor. Kevin is just finishing up his first year at Albion College. Kevin had been a club member and involved in the sailing program for many years. His knowledge and enthusiasm make him an ideal person to handle our program. All Kevin needs is a flock of eager youngsters (and adults) to make the summer program a great success.

The 1984 tennis instructor has not yet been selected. Jonnie Hodgson, chairman of the tennis committee, has informed me that Tom Goodspeed is unable to return this summer. We are sorry Tom could not return and wish him well. We are presently in the process of reviewing resumes for his replacement. We will have a capable instructor ready to go in July.

The 1984 Social calendar appears in the Breeze. Some of the highlights include Suzie Mulligan's famous "auction" and the summer dance set for August 11, 1984. While details

of the dance are still being worked out, we hope many of you will be able to attend.

Being relative newcomers to the Omena area and OTYC, we are going to need a lot of help and guidance this summer. If you have suggestions or comments concerning the operation of the club, please feel free to let me know.

As we begin to understand all of the activities (and responsibilities) undertaken by our club in eight short weeks, it is almost overwhelming. Just now am I fully realizing and appreciating the fantastic job Barb and John Harris have done over the past two years.

OTYC has a long outstanding tradition of providing a good, wholesome learning environment for our children and a rich, pleasant fellowship for our adults. This tradition is carried on because our members are willing to contribute their time and effort. Everyone's contribution is important.

Carla and I look forward to seeing all of you in Omena this summer.

COMMODORES RECEPTION AND OPENING DINNER

Come join us for the official O.T.Y.C. Opening Celebration. The always enjoyable Commodore's Reception Honoring Eighteen Great Commodores, will begin at five o'clock. Delicious hors d'oeuvres and canapes provided by your Social Committee will be served along with the famous O.T.Y.C. super punch, (or B.Y.O.B. if desired). Set ups provided.

A delicious home baked ham dinner will be served at six thirty. Mr. and Mrs. Joe Reicha of Traverse City will cater the dinner. The special O.T.Y.C. opening dinner has become a tradition in which we take great pride. It is a occasion to greet friends, old and new and a wonderful way to start the summer. Guaranteed good friends, good food, and an all around good time to be had by all!

The club has had a steady increase in attendance each year. To assure your reservation please make your reservation early. Adults, \$7.50 — Children \$4.00. For your convenience a reservation slip is included in this issue of the Breeze. Any questions, please call Nancy Weiss 386-5673 or Margy Lyon 386-5418.

WELCOME NEW MEMBERS!

THE O.T.Y.C. SOCIAL COMMITTEE REPORT

The summer got off to a great start on July 2 when 118 O.T.Y.C. members and guests greeted each other at the Opening Dinner. Everyone enjoyed the delicious chicken dinner catered by Mr. and Mrs. Joe Reicha of Traverse City.

On Saturday, July 16th the Commodore's Reception was held followed by the Founder's Fund Dinner. The Social Committee made wonderful hors d'oeuvres that were served with the "traditional" punch. After toasts to the Commodores past and present a roast beef dinner was served. The committee was delighted to be able to turn over \$100 to the Founder's Fund.

The third big event of the summer was The Dance held in August. The Pam Alferi Quintet played and many people enjoyed listening as well as dancing. A raffle was held. We wish to thank those who donated items for the raffle and those who bought chances. A late supper, prepared by Nancy Weiss, and served. The profit, \$105, was given to the Treasurer to be used for the necessary electrical work at the Club.

Potlucks were held each Wednesday evening. This year Diane and Cheryl Colling were hired to clean before Potlucks and to help in the kitchen.

Two Hostesses took charge of each Potluck. Thanks to our members generosity there was plenty of food for all.

One July Potluck was the Youth Cook-out with Jonnie Hodgson in charge. The young people prepared all the food and grilled hamburgers outside for everyone. Fun was had by all. The proceeds went to the Youth Program.

On other Wednesdays we — took a boat ride around Omena Bay, listened to a Marine Officer from the Leelanau Sheriff's Office discuss the up-coming speedboat race and looked marvelous in our new creative hats on Mad Hatter night.

We wish to thank our wonderful Social Committee for all their time, energy, hors d'oeuvres, raffle items and hostessing that made Summer 1983 such a great success.

NEWS ABOUT MEMBERS

Leona Milroy spent the month of September in Northport, where the social whirl was tremendous! She was escorted to the Leelanau Hospital Charity Ball by her brother, Harold Boudreau. Her grand daughter Leon Marie spent most of the month with her. Leona planned a six day trip to San Francisco to view the Vatican Art Collections and also a holiday trip to Hawaii.

Elizabeth and Vernon Keyes also attended the Charity Ball (Elizabeth was General Chairman of the event — see article elsewhere) and then planned a family holiday in Omena. The Keyes were in Claremont, California for three months staying in John Kemble's house while he enjoyed a visit to Africa and a ride on the "Blue Train."

Eloise Bradley wrote that her broken back was healing very well and Dan is coming along. They hope to make it back to Omena this coming summer. We all hope so — you were sorely missed last summer, Bradleys.

Fred and Ruth Gorham got back up to Omena in the fall following their junket to England with the Grossmans. The Gorhams say they had a grand time in England where they saw lots of lovely country, enjoyed castles, lakes, hills and the countryside in general. They toured the Upper Peninsula on their way home, stopping in Minneapolis to visit their son.

Harold and Gennie Grossman write that the trip to the United Kingdom was delightful, particularly the barge trip along the Avon River in Shakespeare territory. Other highlights were visits to Scotland and Scott and Burns country, the Lake District renowned in romantic poetry and the West Country. Gennie says "Seeing these sites has made English literature much more meaningful, and of course everywhere one goes the traveler is surrounded by history." We will look forward to tales of the trip this summer, Grossmans.

Stu and Suzie Mulligan spent a weekend in Phoenix with Austin and Marion Jones last fall, after enjoying Omena's fall activities. They left before the colors were at full tilt, but spent many mornings at the "coffee corner" where they report seven or eight chairs were frequently required to seat the crowd. On several occasions Sunny and Dick provided goodies to go with the coffee... a bit beyond the call of duty, in Suzie's opinion, but nonetheless thoroughly enjoyed by the group. There is so much available to partake in during a Leelanau County fall that some days they were faced with choosing one activity out of seven or eight that sounded interesting. Many summer people back up for one last fling before winter set in.

Lanny Pratt coached Ward's soccer team this fall for the first time and the team came in 2nd, missing 1st place by just 1/2 point. Good for you, coach! Mary Pratt planned to pick up six hours credit beginning in January so the family studied together through the winter. Jonathan was ring bearer in John and Windy's wedding. (This is certainly the year for weddings, isn't it?)

Crampton and Marion Finn celebrated their 61st wedding anniversary last fall. Congratulations! They say there were few Wednesday nights last summer when they did not think of everyone at the club and wished they could pop in on us to have a good visit.

Margy Lyon wrote that her fall was busy as usual. She also tells us that Libby Ehrhardt is enjoying her Freshman year at University of Wisconsin in Madison where she pledged Chi Omega, to the great delight of the families. Peggy, a Freshman at Kirkwood High School, is a member of the Cross Country team. Although Peggy's team did not win, Peggy went to the State competition in Jefferson City, Missouri. Bob finishes at Vanderbilt this spring.

When Mary Woolford wrote, she was looking forward to her "short trip to Egypt" after Thanksgiving and some other trip this past winter. Their news is Chuck's upcoming marriage to Lauris Walters Nance. They are hoping to have a small family wedding in the Omena church early this summer.

Speaking of marriages, Andy Renz and Laura Dodge Shaffer will be married the latter part of June in Cincinnati. Andy is currently using his chemistry background as a Research Assistant in the Pharmacology Department at the University of Cincinnati. Both Cynnie and Billy will be in the wedding party, along with Laura's two younger sisters, so it will truly be a family affair. All the Renz, including Andy and Marjorie and Bill and Rat will delay coming to Omena at least until the bride and groom are off on their honeymoon.

Anne Scott Bailey and John Edward McCauslin were married in Ann Arbor last September. Anne is still in law school; John is practicing law and they will live in Detroit. Anne wore Pat Bailey's wedding gown — all the more meaningful because Pat's mother MADE the gown some 34 years ago. They honeymooned at the Omena cottage. Pat & Bob planned to spend many weekends at Omena this past winter — hope they enjoyed their times there.

We extend our sympathy to the family of William M. Rockwood, Jr., age 75, who died this past March.

Waldo and Ping Abbot are proud grandparents of Ashton Barr Abbot, born November 8th to Waldo and Marcie Abbot. Waldo and Ping planned to spend Thanksgiving with daughter Brenda Anderson and family in Pacific Palisades, California, taking in the Army-Navy game while there.

Barb Harris sent a newsy note saying they enjoyed the fall colors at Omena. "It was wonderful to come 'home' to the peace and quiet of Omena," Barb writes. Won't be long now for all of us to return to that. Paul in his sophomore year at the University of Michigan where he is supposedly studying hard, but also having some fun along the way. Cindy is busy with Varsity Pom Squad, Student Council and French Club. Tim hoped to make the varsity basketball team; was doing some computer work on the side. John Harris, as past Commodore, would like to thank all of the board members, chairpersons and other club members who were so helpful and supportive during his term of office. Both Barb and John wish the very best of luck in the future to the O.T.Y.C.

THE PEARL GANTZ AWARD

Mary Smith, MHAC volunteer was awarded this prestigious honor at the 1984 United Appeal and Community Chest Annual Meeting, February 23. This annual award is presented to a Chest agency volunteer who best typifies the qualities of Pearl Gantz, "a woman concerned about the health and welfare of the people of this community".

After Mary's graduation from our Mental Health Volunteer Training Program in 1977 she has worked at Longview, Cincinnati Restoration and Central Community Health Board as a direct service volunteer. She has served on the M.H.A.'s Board of Trustees and Volunteer Policy Committee for 3 years.

Her major contribution has been her spearheading our agency's newest volunteer service, the Aftercare Associate Program (A.A.P.). With Marian Schiff as co-chair she recruited, organized the training and placed 17 volunteers to work with chronically mentally ill adults in two area agencies.

What personal qualities have helped Mary "get the job done"? Perseverance, directness in dealing with people, assertiveness, vision. Asking the important questions. Not intimidated by professional authority figures.

M.H.A.C. Board member Helen Russo said it best, "If there were a war I'd want to be on Mary's side".

 Carla Schwarze
 Vernon Keye

and proxies for:

John Ray Stu Mulligan
 Austin Jones Carolin Renz
 Marion Jones

The minutes of the 1982 Annual Meeting were read and approved with the correction that Blanche Moore and Earl Moore were not present.

D.J. St. John, Treasurer, presented the Treasurer's Report. Cash balance on hand as of July 15, 1983: \$11,047.40. D.J. stated that almost all of this year's dues have been paid and that the Youth Membership (ages 14 to 24) dues were raised to \$11.00. A youth membership is billed, based on the youth's age during the year of membership and the year a youth member becomes the age of 24 the youth will be charged the adult rate with full voting privileges. It was suggested that clarification of the youth membership be published in the next O.T.Y.C. Breeze.

Old Business

Commodore Harris asked for Committee Reports.

Sailing:

Mary Helen Ray reported for Kevin Ray, our sailing instructor, that during the first three weeks the classes have been rather small with only 19 students enrolled. During the third week Windsurfer lessons were added; these seemed to be more popular than the adult lessons they replaced. On windless and rainy days the program has been supplemented by knot tying and a sailing program on an Apple IIe computer. So far this season we have had only four boats compete in three races. If more boats would compete the races would be more fun for everyone. Races are held on Thursdays and Sundays at 1:00 p.m.

Tennis:

In the absence of Jonnie Hodgson, Nancy Weiss reported that there were 14 participants in both programs. The meet in Northport was very successful.

Fred Schwarze announced that there is a new set of tennis rules on the board. The only difference is that the sign-up time will be no sooner than 24 hours in advance of court time and if you do not show up by 10 minutes after the hour, your time is forfeited and the court is considered vacant and open for anybody to use during that period.

Social:

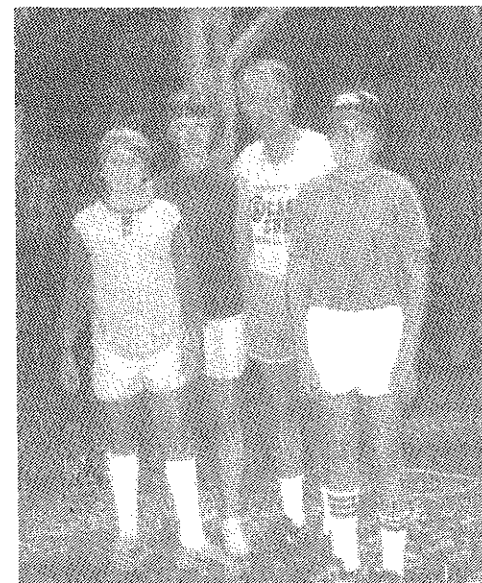

Margy Lyon reported that the opening dinner was held on July 2, 1983 and was attended by 114 adults and 8 children. The Founders' Fund Dinner on July 16th was attended by 72 members and the proceeds went to the Founders' Fund. There have been potlucks on Wednesday evenings with two hostesses responsible each Wednesday. The Social Committee has sponsored a motorboat ride on Omena Bay, a talk by the Leelanau County Sheriff's Department about the Northport Speedboat Races on September 3rd, and a Mad Hatter Night. Some of the events to come, besides the Wednesday potlucks, will be the Youth Cookout, International Night and the Summer Dance on August 6th.

Potluck attendance has been off from last year, but is increasing somewhat each week.

LEELANAU MEMORIAL HOSPITAL CHARITY BALL

An important Autumn event on the Leelanau Peninsula is the Charity Ball sponsored by the Leelanau Memorial Hospital Auxiliary.

This fall on October 1st the Leland Lodge was host and the Jon Peterson Trio of Interlochen provided fine music.

Major gifts and hundreds of smaller gifts over the years have made it possible for the Hospital to expand its capabilities, medical equipment and services. The Patron proceeds of this Ball were directed toward the purchase of a new automatic Cell Counter which counts red and white cells.

We are especially proud of our Omena Auxiliary members who carried the major responsibility for this successful affair this year. We are also grateful to many Yacht Club members who were patrons.

Elizabeth Keye was General Chairman, Bob Harper Financial Chairman, Chris Misangyi Publicity Chairman and Gennie Grossman Correspondence Chairman.

Financial contribution to the hospital from the Charity Ball was over \$6,000.

From the House & Grounds Committee:

The re-wiring of the Clubhouse is complete. This involved removal of the old "single strand" wiring, replaced by a three-wire grounded system, replacement of all old receptacles, installing lots of new switches including "dimmer" type, new overhead fixtures for the balcony room and the activities room, and the grounding of kitchen light fixtures. The chandeliers in the ballroom and bar have been re-wired.

The security light is now mounted on its own pole at the corner of the parking lot so the bugs will be drawn away from, not towards, the Clubhouse.

The treated lumber for replacement of the stairway to the tennis court is on hand -- the job to be completed next Spring.

The Clubhouse has been winterized and is in hibernation until Spring comes again.

Bob Harper

1984 ANNUAL MEETING (Cont'd)

Membership and Nominating:

Nancy Weiss reported that the Nominating Committee wishes to recommend John Harris, Margy Lyon and D.J. St. John to the Board of Directors.

We are happy to announce new members, Dr. & Mrs. Robert DiLoreto and sons Michael and Nicholas, Dr. & Mrs. Steven Lengyl and daughters Heather and Heide, and Mr. & Mrs. Lynn Edward Sptiz-Nagel and sons Eric and Mark.

Applications for membership that are now in process are Mr. & Mrs. William Marbach, Mr. & Mrs. Guenther Mueller, Mrs. Evelyn Brendle and Mr. & Mrs. Robert Allen Love and daughters. As of this date one guest membership was issued to Master Mark Murphy. During the past year we received resignations from three members who have moved from the area.

A suggestion was made from the floor that we all do our best to make new members feel at home and be introduced to members. It was also suggested someone take a snapshot of new members for the bulletin board.

Waterfront:

Barb Harris reported that the dredging of all slips and the "shoring up" of the launching ramp was completed in June of this year. All slips have been rented with the exception of the breakwall slip. There was a board decision that the launching ramp may be used by the guest of a member as long as the member is present at the launch.

House and Grounds:

Bob Harper reported that in addition to the closing and opening of the Club, the following work had been completed:

- 1) The replacement of the balcony support structures and the reinforcement of the balcony railings;
- 2) reinforcement of the stairway railing;
- 3) erection of a support structure to the roof beams on the second floor;
- 4) installation of a light at top of stairway with a switch at bottom of stairs;
- 5) repair of the steps to the tennis court;
- 6) minor plumbing repairs;
- 7) installation of new locks.

Bob expressed his thanks to the many unsung helpers who helped with the repairs and maintenance of the club and grounds.

It was suggested we consider having someone clean the entire club house every week. This will be worked out between the different committees involved.

Breeze:

In the absence of Rat Renz, Bill Renz reported that the Breeze was published in the fall and spring with help of co-editor Lillian Taylor. Both editors wish to thank all members who contributed to the Breeze. For the up-coming season it is recommended that:

- 1) we publish two issues, December and May;
- 2) all committees write their reports before leaving Omena;
- 3) members submit news about their family happenings;
- 4) members submit any snapshots that would be of interest to the members.

It was suggested that a short write-up and pictures of new members would be a nice addition to the Breeze.

Youth Committee:

Barb Harris reported that in addition to the information presented by the sailing committee, Kevin Ray, our sailing instructor, is requiring each student to take a swimming test before they are able to take sailing. There are ten regular members, 4 guest members and 2 local children taking tennis lessons. In addition, the youth activities have included a car wash and a canoe trip with a cookout, an overnight trip to South Manitou Island and a trip to Mackinac Island on August 9th planned. The Mackinac trip is for adults and children. It was also announced that we need a chairperson for the adult activities.

A short break was taken at 10:50 a.m. and the meeting was called back to order at 10:55 a.m.

Editor's Note:

For those of you who looked in vain for your December Breeze, rest assured your post office was not at fault — there was no December Breeze. A variety of circumstances led to the default of the December Breeze, but as editor I will take the responsibility for not having issued it. Hopefully one or two of you good club members will be so angered by the foul-up that when I arrive at Omena you will greet me with fire in your eyes and DEMAND to take over as editor for next year. With many Breeze ideas still in my head, but absolutely no time to develop them, I must regretfully bow out as editor. The OMENA TRAVERSE BREEZE has brought me both pleasure and a few headaches, but it is now time for someone else to edit for awhile.

To those of you who contributed the news and reports and pictures over the past few years, we say "Thanks" for making the Breeze what it has been.

To Lillian Taylor, assistant editor for many years, the club owes eternal gratitude. Besides the printing, Lillian was the one who did the layout for almost all the Breezes from the very beginning. She is also the one who would call with the news that we had a 7-page paper and offer to add this and that to balance it out. All the past editors join me in taking off our hats to Lillian Taylor for her service to the club — she was invaluable to each and every one of us.

My most memorable conversation with Lillian was the morning she called to say that the Breeze was type set and ready to go to press, "But," as Lillian put it to me, "it is a terrible paper, Carolin!" I certainly agreed, but at that point it was too late to solicit witty little write-ups to spark it up. In years to come let us remember that a few minutes with pen in hand or fingers on the keyboard jotting down remembrances of the summer or dashing off an inviting article about coming events can make the difference between a flat few pages of "hard news" and a fun journal the whole family will enjoy pouring over.

NEW BUSINESS

Fred Schwarze read and explained the proposed changes in the By-Laws of the Omena- Traverse Yacht Club.

A motion was made by Fred Schwarze that we approve the By-Laws as presented with two amendments: Article VIIIe, delete the phrase "and/or fees" in the three places it appears; and under Article XVIb, line 1, after the word "Annual" add the words "and/or Special" so as to read "At the Annual and/or Special Meetings of the membership, a Quorum shall be that number of members present." The motion was seconded by Phil DiLoreto. After no further discussion the notion was passed by unanimous vote.

A motion was made that we accept the nominating committee's recommendation of new board members John Harris, Margy Lyon and D.J. St. John. The motion was seconded and passed unanimously.

There being no further business to be brought before the members, the meeting was adjourned by Commodore John Harris at 11:15 a.m.

Respectfully submitted,

W.A. Renz

"HAPPY HOUR NORTH"

The Youth Group sponsored and prepared a cookout entitled "Happy Hour North!" It was a combination of fun and profit. Everyone met at the Yacht Club at noon for a picnic, volleyball, swimming and work . . . shucking 150 ears of corn, tossing salad and making hamburgers.

At 5:30 p.m. the five grills were lit and tables spread with a scrumptious salad bar. Happy Hour sized hamburgers (6 inches in diameter), corn on the cob, salad and a dessert buffet (homemade by the kids in the youth program) was enjoyed by 120 OTYC members and guests. Final figure, after expenses, was \$319.00.

Nice job, gang! There were lots of requests for a repeat performance next year.

Jonnie Hodgson
