ANSWERS POSTED JULY 4TH

The Commodore's Message

Dear Friends,

As the Texas days of spring grow longer and warmer, I know summer is approaching and we will soon return to Omena. I am so anxious to return I am going to go up in May for a week. What I really look forward to is everyone returning to Omena and lots of fun - visiting with my friends, attending potlucks and cocktail parties, listening to Jonnie Hodgson's wonderful programs, hearing Sam Cone's comments whispered in my ear that make me laugh, teasing Mary Woolford about her boyfriends in Cincinnati, listening to Marty Bill's stand up comic routine, and catching up on all the news of the grandchildren and children, who has graduated from college, who has a new job, and who is retiring!

Your Board and committee chairpersons have been working hard to make O.T.Y.C. Summer '93 a well organized, fun summer. Marty Bills is working on new sweatshirts for the Club. Bill Sandt is organizing sailboat races. Tom Buehler has the Nominating Committee working hard on a new slate of members to be voted on for the Board. The Board has been diligently working on repairs to the Club building. Ole has been getting the repairs accomplished. Jonnie has already lined up some great programs. Bob Johnson has been working hard to see the water front prepared for a fun summer. Marsha Buehler and the Social Committee have been organizing our fun events.

I hope each of you will take time to thank these members that have given freely of their time and talents. There is always going to be room for improvement in our Club and we need that input, but I hope we all take time to be appreciative of all the effort put in by Club members. Also, please keep in mind that most jobs at the Yacht Club are done on a volunteer basis and those volunteers need to be thanked and appreciated.

Dennis and Kathy Turner are going to be in charge of our youth program this summer. Our instructors are lined up, and we are fortunate to have Ann Heimforth Elsenheimer returning for tennis and Laurie Weiss returning for sailing. The kids' outings will be on Thursday again this year. Last summer I had all the kids and their parents over for a cookout at my cottage and I think we had a great bunch of kids. I hope our program grows this summer.

Many of you know that the boat ramp was damaged by a non-member pulling a large sailboat out last fall. Furthermore, the ramp has been undermined by the wave action pulling the fill out from underneath it. Bob Johnson, our waterfront director, has been working since Christmas trying to secure bids on getting the ramp repaired. This has been a frustrating job because of contractors being out of town or otherwise unavailable. Nevertheless, we are trying to have the ramp repaired by summer time. We are going to obtain permits and this may further delay the repair of the boat ramp. If the boat ramp is not fixed when summer comes, please bear with us.

By the time you receive the *Breeze*, you will have had time to read my letter which explains the Club's upstairs porch rebuilding and the need of funds for this rebuilding project. I would like to encourage you to come to the Annual Meeting, July 24, 1993, with a spirit of compromise and dedication so we can preserve our beautiful Club building. I look forward to July 24 and working on a solution to securing the finances we need.

I would like to end by giving a special thanks to Betsy Ehrhardt and Margy Lyon for all their hard work in publishing the *Breeze*. What a great job Ladies!

See you soon,

Melissa Chenault

News From Our Friends

TRUDY LEWIS writes that she and BOB "find no shortage of things to do in retirement. However, we did enjoy a vacation from our retirement when we spent the month of February in

Musical notes sound forth from the piano as John Ray entertains guests and members at the Commodore's reception.

southern Mexico. Oaxaca has a superb climate which we particularly enjoyed as we watched the CNN weather news of the USA! The highlight of the trip was a reunion with our daughter, Natalie, her husband, Jim, and 6 year old Shannon for six glorious days. We returned in time for plenty of winter.

Our current plan is to spend a lot of time in Omena this summer, and hope that is the plan of the rest of our summer friends!"

The GREGORYS enjoyed a very short visit from the SILVERMANS in December as they were on their way to California for Christmas. In January BETTY and JIM went on a Caribbean cruise to celebrate their 44th year of wedding bliss. JIM went snorkeling off St. John's Island while BETTY sat under a tree and drank rum punch.

They have reservations to visit Nova Scotia in July with their college alumni group but before and after that they will be relaxing in beautiful Omena. They hope to arrive in early June. BETTY will be bringing samples of her crafts - soft sculpture, quilts, and ceramics - for, perhaps, a "Christmas in August" sale.

ANN LEATHERY says that it is nothing but good news this winter for the LEATHERY family! Their son, Donald, and his wife, Betsy, are expecting a first addition to their family this September. A June wedding is being planned for their daughter, Leigh Anne, to

Dean Wallace from Sharon, PA. "I hope DON SR. survives." They did some skiing in Utah and some sunning on the Island. "All in all, it's been a short winter and we look forward to our return to Omena."

MARY LOU and HAROLD ROOT are very happy great-grandparents! Julie and Noah Fleischmann had a baby girl on April 3, 1993. The baby weighed 8 lbs. and was 21 inches long. She is named Lilly Root Fleischmann.

TENNIS LESSONS

Ann Elsenheimer, our tennis instructor, will be giving group lessons on Monday, Wednesday, and Friday at 12:30 PM for \$5 per person. Private lessons may also be arranged.

JOAN ROTH will be taking her daughter, Dedi Roth, to Washington, D.C. on the Cincinnati Art Museum spring trip the middle of May. The ROTHs plan to be in Omena by the end of June. JOAN also wants to remind everyone that there will be a White Elephant Sale in July. Please bring your "treasures" to be sold.

MICHAEL RAY writes that his

Preparation for a slide show about gardens of England occupies the time of Jonnie Hodgson and Dixie Stephens after potluck July 15

winter has been quite active. In November he was promoted to Senior Claims Adjuster with Liberty Mutual Insurance Group in Lisle, IL. In December he had the opportunity to spend two weeks with his family in Australia and New Zealand. "It was a fantastic trip!" Also, in March he spent a week on Sanibel island. This May he is working on a trip to the Grand Canyon and other points in Northern Arizona with old college friends. He plans to be in Omena several weekends this summer as well as participate in another trip to Beaver

Island. "This will be my seventh year participating in this program through Hope College. We are paired up one on one with neglected children from the Muskegon area and spend the week back-packing with them."

KARIS and KEVIN RAY spent a five day mini-vacation in Florida staying with KEVIN's parents. On their way home they ran into PING and WALDO ABBOT in the Fort Myers airport. They were just arriving for a week of "R & R" and a Chrysler convention. KARIS is busy traveling for work. Recently she has been to Madison, WI, Wabash, IN, and Houston, TX. KEVIN has just completed the 4th of 10 CPCU exams and is studying for #5. They are looking forward to Omena.

JOAN and OLE KIERSEY went south in January and February. They stopped to see KATHY in Durham, NC and then on to St. Augustine and Tarpon Springs to see JOAN'S sister. After collecting their friends, the McCabes, at the Tampa Airport, they went to Sanibel Island, "a paradise that was most difficult to leave!" While in Sanibel, they drove over to Pompano Beach to visit KAY and JAY HARRIS. They got home

July fourth opening dinner is an occasion for many members who have not seen each other over the winter to be filled in on the events of the previous year. Here, Sarah Chenault, Stephanie Bills, and Andrea Gelakoski are ready to call table numbers and start the dinner.

NOW HEAR THIS!

All you sailors willing to test your sailing prowess - there will be a race Saturday, July 3, 1993. For anyone willing to brave the wind and waves of Omena Bay on their sunfish (the closest thing to being in the water itself!), there will be a skipper's meeting at 2:30 PM at the Club House. You will be required to sign a release form in order to absolve the Club from liability. Please contact Bill Sandt if interested at 4778 Omena Pt. Rd., 386-7226 or 517-631-6852.

just in time for the worst weather of the winter!

In May the KIERSEYS will journey to Wichita, KS with Denver, OLE'S brother, and his wife, Barb, to see their two children. They will stop in Arkansas to visit one of OLE's sisters before coming home. There will be several "dashes" to Suttons Bay on Memorial Day and other weekends before they come to stay in June.

WALDO ABBOT writes from Fort Myers Beach, FL where he and PING are enjoying a vacation. He reports that there are many Omena friends vacationing nearby. The ABBOTS are looking forward to their arrival in Omena on June 15.

ALAN and CHARLOTTE READ look forward to their "opening the cottage" weekend - most probably May 20 - 24. This will coincide with a State Department recruitment

The opening dinner on July Fourth affords an opportunity for Betsy Ehrhardt and John Ray to chat and catch up with Humphrey Jackson, former Commodore, who was in Omena for a few days.

IN MEMORY

GRACE C. MACK

O.T.Y.C. has suffered a great loss in the death of its member, Grace C. Mack. Grace died in Cincinnati on December 20, 1992 at the age of 92.

She first came to Omena in 1941, when she and her husband, Bill, visited the Mack cottage on "the hill". The Mack cottage was later dismantled and the lumber, etc. stored until the late 1940's when it was used to build the Mack cottage on Ingall's Bay. A smaller house was also built on the beach, where Grace spent many happy hours. It was here that Grace, the artist, had her kiln and did her fused glass constructions. Many of you will remember her lovely greeting and note cards she designed using her watercolors, lithographs, and woodcuts.

As neighbors on Ingall's Bay, I remember feeding the swans, exchanging homemade jellies and jams, boat rides, and great times at Mack fish fries. It was always amazing to me that I could look out every morning and see Grace swimming in the bay, no matter what the weather or water temperature.

She was energetic and enthusiastic about everything she did and participated in many Yacht

Club events. We treasured her friendship.

She is survived by her daughter, Bercie Frohman, a step-son, Millard Mack and many grandchildren and great-grandchildren, who visit Omena every summer.

By

Margy Lyon

MARJORIE RENZ

One of the beauties of Omena friendships is the fact that they are multi-generational.

It has been a genuine pleasure and privilege to have shared a lovely friendship with Marjorie Renz. Her sense of humor and witty sparkle were contagious to those around her. She was a friend to people of all ages and showed a sincere interest in their lives and concerns. She was straight forward and genuine in her responses, and could offer advice to those around her in a quiet, diplomatic way.

One incident especially amused me. One of our off-spring had been in college for four short weeks and returned to Omena over Labor Day with glowing reports of how much "fun" college was. Marjorie Renz listened for a while, then quietly but firmly replied; "But

MEMBERSHIP

Are you planning to recommend someone for O.T.Y.C. membership? Information and applications may be obtained from
BARB HARRIS or
CONNIE MARTINEAU

remember, your parents aren't sending you to college to have fun; they are sending you to learn".

Another amazing quality of Marjorie Renz' was the fact that she endured a lot of pain and physical frustration while rarely complaining. She had a very deep love for Omena, and surmounted difficult physical obstacles in order to return each summer.

Marjorie had an abiding love for O.T.Y.C. and, in earlier years, was very active in Club affairs.

We will miss Marjorie's kindness and warmth, but know that we are all much richer for having known and loved her.

NOMINATING COMMITTEE REPORT

Dear Fellow O.T.Y.C. Members:

As in every annual meeting, we will this year elect three directors for three-year terms. The class to be elected at this year's meeting included Vin Moore, John Storey and Marilyn Flett, all of whom are deemed superbly qualified by your Nominating Committee. We hoped all could continue as directors. Fortunately, Vin and John are able and have agreed to stand for a second term. Unfortunately, Marilyn was not able to continue on the board due to the press of other matters and resigned as of April 15. The entire Board selected Kathy Bosco to fill the vacancy created by Marilyn's resignation. Kathy's term will expire September 15, 1993 along with those of the present class members. After discussion, your nominating committee unanimously concurred that Kathy would be a good continuing board member, and Kathy has agreed to stand for election.

Accordingly, your nominating committee will offer the following resolution for adoption at the Annual Meeting of members on July 24:

RESOLVED, that Vin Moore, John Storey and Kathy Bosco be and hereby are elected to serve as Directors of the Omena Traverse Yacht Club for three year terms commencing September 16, 1993 and ending September 15, 1996.

Two notes before closing: We are very pleased to offer a slate of well-qualified and well-regarded nominees. Kathy is a past Commodore, Vin's appreciation and understanding of the Club springs from long tenure as a member and as a director. John has taken on and performed well the tasks needed to properly document (and perpetuate) the Club's existence through its minute records. All of them are familiar with the Club's history and its unique membership and needs. We are fortunate that this list of achievers is willing to serve.

The duty and purpose of the nominating committee is singular -- to screen and recommend qualified candidates for the Board to the general membership. O.T.Y.C. needs a continuing series of willing, qualified candidates to sustain its efforts to serve its membership. If you know of such persons, please advise so that we can appropriately contact/consider for future years. Your help will be greatly appreciated.

See you in Omena.

HISTORIC NOTES

The following advertisement for Omena Inn circa 1905 was found by Marsha Buehler when they moved into their cottage on Omena Bay.

This is a summer resort where one may really get complete rest, in quiet or in a dozen diversions; and in these diversions enjoy the company of cultured people. It is neither ultra nor expensive, and yet in the neighborhood of other resorts which are so - Harbor Point, Charleviox, and Mackinac. It is a spot where one can do much or little; where the dinner jacket and the sack coat, the silk gown and the dimity mix at the hops; and where vaudeville and fishing are not less in favor than bridge and driving. Omena is on the wooded neck of land, on the west shore of Grand Traverse Bay and has many beautiful natural walks and loitering places. The protection given the harbor makes it a safe place for children to boat. The climate is equable, the days being warm and the nights cool. Somewhat heavier clothes than those worn south are desirable. The Inn or Club House is simple and yet entirely sanitary, due regard being given to bath and other toilet conveniences. The table offers the same home cooking through which Mr. Dewey brought the first distinction to the Harbor Point Club House when in charge of it several years ago. Omena usually summons competent physicians, and has telegraphic connections with all parts of the country. The stores of the village contain a rather complete supply of staple dry goods and food stuffs, basket ware and other articles suitable for souvenirs. Indians and Armenians also interest guests with their wares. Hayracks, launches, sail boats, carry-alls, buggies, and the bowling alley may be engaged upon reasonable terms. Row boats and tennis courts are at one's disposal. Cottagers are very courteous to guests of the Inn, and all come together in the evenings and at dinner as one large family. The Inn has its own music and assists in all entertainments. Its rates are from \$2.00 to \$3.00 a day and from \$10.50 to \$15.00 a week, depending of course upon the accommodations afforded, and the part of the season, July and August being the most popular. Special inducements are made by the Inn in June and September. In the latter month the transportation lines give half rate excursions, and fishing is then at its best. Omena is reached directly by the Northern Michigan Transportation Line and the Grand Rapids & Indiana Railway, and by rail and boat connections with the Manitou Line at Northport and with the Pere Marquette Railroad at Traverse City. Buses at Traverse City, Northport and Omena meet all trains and boats.

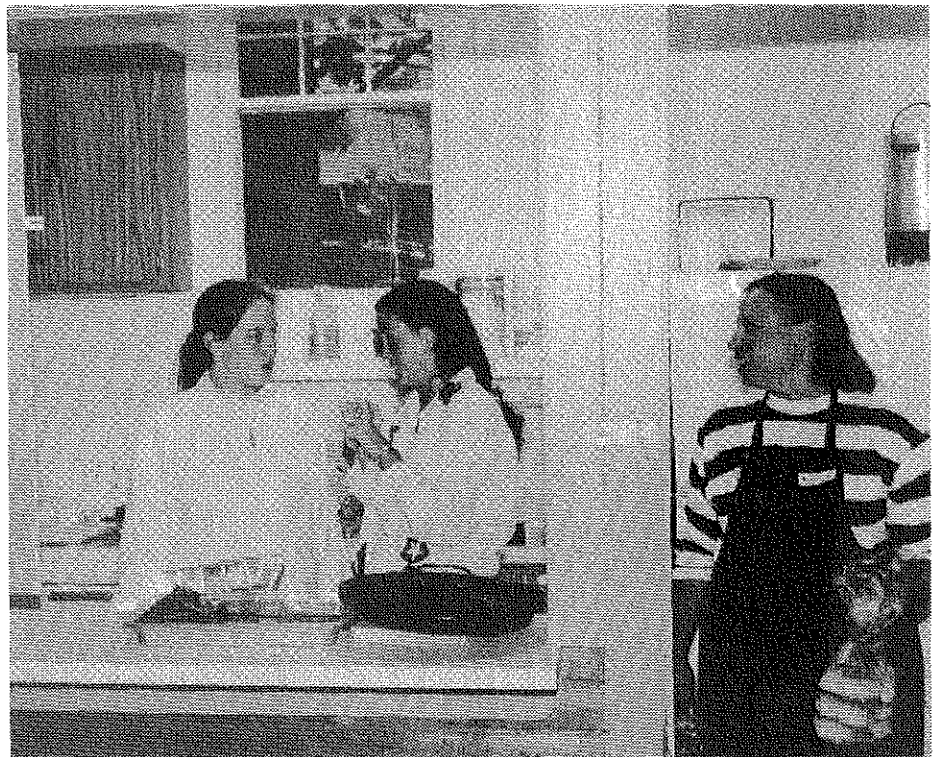

OMENA INN
W.H. DEWEY, Proprietor
OMENA, MICHIGAN

WALDO ABBOT sent this article from the May, 1956 *Breeze*. WALDO remembers Ray Flett very well. "He was a grand fellow - always ready to do whatever had to be done."

HOW TO KILL YOUR YACHT CLUB ASSOCIATION.

1. Don't come to the meetings.
2. If you do come, come late.
3. If the weather doesn't suit you, don't think of coming.
4. If you do attend a meeting, find fault with the work of the officers and other members.
5. Never accept office, as it is easier to criticize than to do things.
6. Nevertheless, get sore if you are not appointed on a committee, but if you are, do not attend the committee meetings.
7. If asked by the chairman to give your opinion regarding some important matter, tell him you have nothing to say. After the meeting, tell everyone how things ought to be done.
8. Do nothing more than is absolutely necessary, but when other members roll up their sleeves and willingly, unselfishly, use their ability to help matters along, howl that the association is run by a clique.
9. Hold back your dues as long as possible, or don't pay at all.

-- Submitted by Ray Flett
