Schedule of Fees

Permanent Membership: Family Initiation Fee (includes children up to 24 years of age): \$250.00. **Adult Annual Dues** (ages 24 or more as of January 1): \$60.00 (as voted by the Board in 1989); **Junior Annual Dues** (ages 14 to 23 as of January 1): \$12.00. **Guest Membership:** Adult Dues per family \$120.00; Adult Dues per single adult \$60.00; Junior Dues (14-23 years) \$12.00.

Advertising Rates: \$15.00 for small ad, \$20.00 for large ad.

Dear OTYC Members,

Perhaps this year, more than ever, we are all looking forward to this coming summer at Omena. Problems should be few and prospects for a happy and relaxing summer are good.

We have Laurie Weiss returning this summer to continue her fine sailing program. We are still looking for a tennis program director. Ann Elsenheimer and her husband are moving away from the area.

The buildings and grounds are ready and waiting for us.

The Board of Directors of the OTYC will hold their first meeting of the year at 10 a.m. on Saturday, July 23 at the Omena Traverse Yacht Club.

The Annual Meeting of the Omena Traverse Yacht Club membership will be held at 10 a.m. on Saturday, July 23rd at the Omena Traverse Yacht Club.

The final meeting of the Directors of the OTYC will be held on Thursday morning at 10:00 a.m. August 11th. This meeting has been moved up because of the early start of the school year for many members.

To ALL the club members, many thanks for the continued and unsurpassed help you all provide so unstintingly. This is what makes the OTYC such a unique, on going group.

Sincerely,

Vin Moore

Commodore Vin Moore, recognizes past commodores Joe Alcorn, Melissa Chenault, (Vin), Bob Gelakoski, Austin Jones, Bill Sandt and John Harris.

NOMINEES FOR 1994 ANNUAL MEETING

April 12, 1994

Dear Fellow OTYC Members:

As in every Annual Meeting, we will this year elect three directors for three-year terms. The group of directors to be replaced now includes Bob Gelakoski, Joan Kiersey and Jane Saxton. Of this group, Joan is able to stand for a second term. Bob has completed his second term on the Board, acting at various times as Commodore, Treasurer and (I can attest!) handyman. Jane has also served with distinction, but wishes to spend more time with the grandkids. Thus, the Nominating Committee was required to search for two qualified candidates, and after discussion, we are pleased to advise that Joan Kiersey, Sam Cone and Dennis Turner have agreed to stand for election. Many of you are aware of Dennis' continuing contributions to the Youth and Sailing programs. Sam's feelings for the Club, its unique history and membership are valuable assets. We are all fortunate that Joan, Sam and Dennis are willing to devote the necessary time to serve the OTYC.

Additionally, Carolyn Marbach was appointed by the Board last year to fill the unexpired term created by the resignation of Melissa Chenault. The by-laws allow Carolyn to serve in that capacity for one year, at which time her appointment must be put before the entire membership for a vote. Thus it is now also appropriate for the general membership to confirm Carolyn's directorship for the balance of that term.

Accordingly, your nominating committee will offer the following resolutions for adoption at the Annual Meeting of members in July, 1994:

RESOLVED, that Joan Kiersey, Sam Cone and Dennis Turner be and hereby are elected to serve as Directors of the Omena Traverse Yacht Club for three year terms commencing September 16, 1994 and ending September 15, 1997.

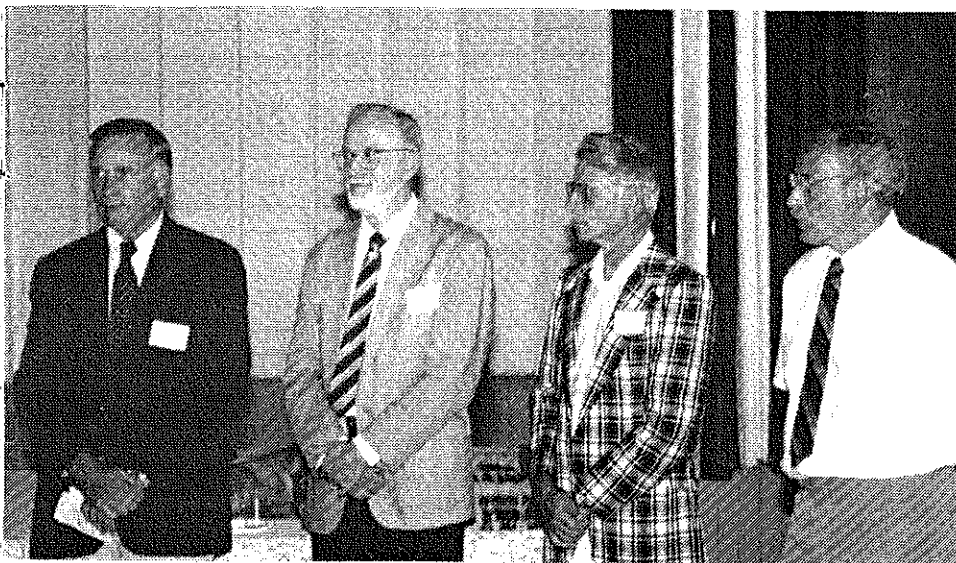

RESOLVED FURTHER, that the General Membership of the Omena Traverse Yacht Club hereby confirms appointment of Carolyn Marbach as a Director of the OTYC to continue in the unexpired term created by the resignation of Melissas Chenault, and elects Carolyn Marbach for the completion of such term, to expire September 15, 1995.

The duty and purpose of the nominating committee is singular-to screen and recommend qualified candidates for the Board to the general membership. OTYC needs a continuing series of willing, qualified candidates to sustain its efforts to serve its membership. If you know of such persons, please advise so that we can appropriately contact/consider for future years. Your help will be greatly appreciated.

See you in Omena.

News From Our Friends

BOSCOS have had an exciting spring! MATT was married March 12th in Phoenix, AZ to Trisha McDaniel. Many OTYC members will remember Trisha as she has visited Omena several times. There was a week of celebration including a golf tournament and a special luncheon of the ladies. Festivities ended on Sunday with a brunch at BOSCOS and a send-off to Bermuda for the newly weds. TOM and MARSHA BUEHLER and LARRY and MELISSA CHENAULT were there, making it truly an Omena-Phoenix event.

KATHY has a rare opportunity to go to Kenya, Africa as a medical missionary in June. She will be assisting a physician treating malaria and yellow fever in "the bush." She also will teach HIV/AIDS in the clinic and schools. Conditions will be very primitive. Before returning she plans to go on a Safari where they will pitch their tents and enjoy seeing the animals.

KATHY will open the cottage in May so that she can be ready for July 4th in Omena.

MARSHA BUEHLER writes that, "the BUEHLERS and CHENAULTS had the great pleasure to be a part of the BOSCO celebration of MATT and Trisha's wedding. A basket of Arizona goodies assembled by KATHY welcomed each guest upon arrival in Phoenix.

THE LARKIN GROUP
JON RUTILA
GENERAL INSURANCE

Phone 386-5722
Northport, Michigan

KATHY and MIKE hosted a lavish rehearsal dinner at the Arizona Club, with many friends and relatives attending. It was truly a wonderful, intimate evening of sentimental moments and good wishes.

The setting sun on Camelback Mountain and the garden of the Wrigley Mansion presented a beautiful backdrop for the marriage of Matt and Trisha on the evening of Saturday, March 12. The ceremony was enhanced by candlelight, exotic blooms and a string-and-horn ensemble. A stunning reception and banquet followed in the private rooms of the Mansion, where we dined and danced into the wee hours. Sunday brunch at the BOSCO residence reassembled the revelers to wish Matt and Trisha well as they departed for a short honeymoon.

It was a rare treat to meet Trisha's family, to renew acquaintances with many friends and to be with the BOSCO clan on their "home turf." Seeing the Grand Canyon was fun too."

ANNETTE and GIL DEIBEL had a wonderful time in March on an Elderhostel trip they took with GINA and VIN MOORE to Florence, Italy.

MARY and RON TONNEBERGER are "totally con-

sumed with building a new, year-round home on Fireland 5 and will move permanently to Omena on July 1, if all the nails are in place."

KAY HARRIS writes that she "had a wonderful and unusual trip to Nova Scotia to see the baby Harp

Lunching on pasta and wine are Gil Deibel, Gina Moore, Vin Moore & Annette Deibel in the Montecatini Alto.

Seals. They are born on the pack ice surrounding the Magdalen Islands near the center of the Gulf of St. Lawrence. We flew to the ice in helicopters and then walked around to see the seals. We were within

TAMARACK
CRAFTSMEN
GALLERY

News From Our Friends

walking distance of hundreds of seals. The baby seals are white for a week and then begin to change color."

CRAIG SMITH plans to be "in residence" atop the hill about June 27th for two or three weeks before going to St. Louis for Preston and Rebecca's wedding. Then he will be off to Cyprus for a little rest and recovery time before heading back to Jeddah, Saudi Arabia.

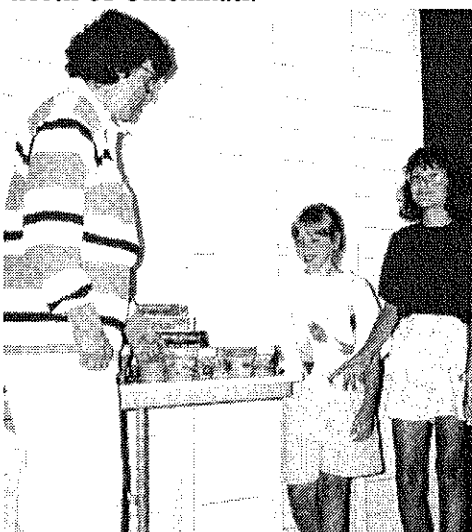

MARY WOOLFORD will have a new knee this summer. She's working hard on her rehabilitation so she will be ready for her family reunion in Omena the end of June. Her nephew, Sam, will be married June 24th on the lawn of the Woolford cottage. Her sister, Judy, will celebrate her seventieth birthday on June 25th. About twenty-five family members are expected to be present for these events. She had hoped her brother John Kilgore, from Fairfax, VA would be there, but he passed away in early April.

CONNIE MARTINEAU writes that BOB retired in December and they moved to their home in Omena.. "We did escape to Amelia

Island for the month of March only to return Easter Monday to two inches of new snow. We are still thrilled about being permanent residents in Omena.

We're very happy to announce the coming marriage of our son, Bob, May 14 on Cape Cod and daughter, Anne, October 1 in Dayton, Ohio."

BILL RENZ took the "big step" this fall and started his own practice in the evergrowing "Landen" community, located twenty miles north of Cincinnati.

As Kathy Turner looks on, Alison Biskupski & Caroline Turner describe their crafts at the white elephant sale.

His challenges have been many, but it's fun to be his own boss and he's thrilled with the move. He

says that "it does make it fun to go to work in the morning."

PRESTON SMITH writes that he has recently started a computer based email list for people who have some connection to Omena. Currently there are about twenty-five people on the list. See a special article in this *Breeze*, "Omena via the InterNet."

MICHAEL RAY has been very busy! "Between Christmas and New Years, I was able to travel to London with my parents for a week of West End Theatre and visiting old friends. This spring I took a course in "R & R" on Sanibel Island with my mother. In early April I traveled to Buffalo to visit an old college friend. There I sampled the original "Buffalo Wings" at the Anchor Bar. We also spent the night in Toronto where I obtained half price tickets to "Phantom". I'll never tell my secret though.

I plan to be in Omena over the July 4th weekend as well as a few others throughout the summer. I am also a part of the "OMENA LIST SERVER" and encourage all of you who have access to e-mail to join. My InterNet address is: mray60563@aol.com."

News From Our Friends

RAT RENZ writes that, "in February BILL and I went to Chicago to visit the Rays and took in the Chicago Auto Show. We drove up between snowstorms--had 4 inches while there on Saturday and kept sweeping off the car at every stop during the day. Trips up and back were snowless though, so we planned right.

I went to Snohomish, Washington to visit Cynnie and her family for Easter and stayed for Eleanor's 2nd birthday. While there we spent a few days on the Oregon coast at Cannon Beach. I was so excited because it was my first visit to Oregon. But of course, the main reason for the trip was to play with Emma and Ellie, the two Washington granddaughters. Also we made a few runs back and forth to Louisville.

We manned a checkpoint for WalkAmerica in late April, and hosted the 'Rallye Round the Renz' for the Mercedes group in early May. We plan to be in Omena in July."

BOB GELAKOSKI is taking a bike trip around the Gainsville area for a weekend this spring.

MARY HELEN RAY writes that, "since Christmas, when we spent a week in England on a Theatre Tour, we spent time in Sanibel where all our family joined us for varied periods of

time. It was a welcome relief from winter here in Chicago. During the coldest spell (-25°F) we took off for Omena to "warm up" with zero to +10°F temperatures and loads of snow." They will be in Omena memorial Day, and then she and JOHN plan to take a trip to Ireland for a week before coming to Omena to stay.

In April, JOHN and BARB

January in Omena shows a startling contrast to the beautiful summer days.

HARRIS went to visit their daughter, Cindy, in Lake Tahoe, CA. A trip to San Francisco was part of their itinerary. Cindy is working at Squaw Creek Resort while taking post-graduate courses at Sierra Nevada College.

Paul Harris graduated from Michigan State University Medical School on May 6, 1994. He will do his internship/residency in Grand Rapids, MI.

Tim Harris is living in Chi-

cago and working for Equifax-National Decision Systems Company. He spends much time traveling all over the Midwest. He does hope to spend more time in Omena this summer!

JAY and BARBARA GROSMARK write that, "our son, Steve, has announced his engagement to the woman he has been seeing for the last five years. We are very

excited about this. They both will spend some time with us in Omena this summer. Our daughter is a year long resident of the Omena area and enjoys the area very much. We hope to be in Omena from the middle of June until September.

This year we took a couple of major ski trips. We spent a week in Colorado and just returned from Whistler in British Columbia. April is an unusual time to ski. Flowers were

beginning to bloom at the base of the mountain and it snowed continually at the top of the mountain. Back in New York we were fortunate to be able to spend some time with our niece from Omena, Sarah Viskochil, as she is a freshman at nearby Marymount College where she is doing well.

We look forward to walking and bicycling the road around Omena, sailing in the bay, potluck dinners at the Yacht Club, and seeing all our friends. See you soon!"

The VARLEYS send greetings from the Dominican Republic. CATE says, "we are storing water, diesel generator fuel and canned goods as we await the Presidential elections May 16 and possible incidents after the elections. Since schools will prudently close the day after the election, Maura will take an Advanced Placement exam in a private home far from main streets. Some of the teachers at our school have intensified the schoolwork, so that in case school is closed for a long period, they will have enough work on which to base the final grades!

Anna will graduate from high school here June 1. More importance here than the graduation is the prom, including dinner, which all extended

Liz Jones, Mary Louise Root and Marion Jones enjoy each others company.

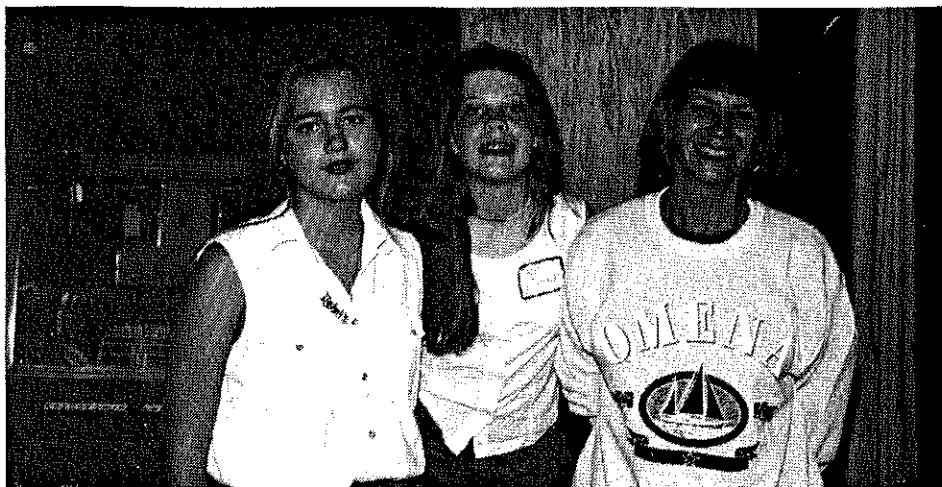

family members attend, dressed in their finery. The garb for me is a problem--after all, it's been nearly 30 years since I wore a prom gown! John, nearly 12, is ambivalent, at best. I am having a hard time thinking back to my own proms and imagining my younger brothers there!

We should be home to Omena by about mid-June. We'll have a nice long summer there because we will be on home leave in preparation for another transfer to Kampala, UGANDA! We look forward to going back to Africa, but the school there has no 12th grade, so Maura

will stay in Suttons Bay for her senior year. Anna will attend University of Michigan, so we will downsize our family from 5 to 3 in one move.

Uganda will be a nice place for us -- recovering from the Idi Amin and followers period, with a stable economy, increasing agricultural production and animals returning to game reserves.

There is sailing on Lake Victoria, and we can share in the use of a 21-foot sloop, as well as Lasers. We'll inquire about reciprocity with OTYC. Anyone planning a safari to E. Africa must definitely get together

The new OTYC sweatshirt was designed & is modeled by Marty Bills, assisted by salesgirls Andrea Gelakoski & Sarah Chenault.

News From Our Friends

with us this summer!"

JOAN KIERSEY writes, "What a 'great' winter we picked to become Gulf Shores, Alabama 'Snow-birds.' We never stopped marveling at the hot sun in February. It was startling to see all the buildings up on stilts (building code resulting from Hurricane Frederick in 1979.) However, the result for me was frustrating. Our second floor was actually the third with twenty-nine steps up and twenty-nine steps down. My wings were often clipped as the hip kept throwing the back out. We headed north on March 16th.

Kim has one more semester to go in nursing school and has an internship at a small hospital nearby. Finally, she'll be able to hang up her waitress' apron!

The RAYS were with us in Kalamazoo the last weekend in April to attend some of the fine events in the International Keyboard Festival held here.

We were in Omena part of the May 6th weekend. The Back Room Gang was playing, and we could tote up some of "our stuff to the cottage. We plan to be back for Memorial Day."

In March BETSY and DREW

EHRHARDT visited BOB and MARTY in Baltimore, MD and stopped in Columbus and Cincinnati on their way back to see LIBBY and MARGY

LIBBY has taken a full time position in sociology at the University of Central Florida in Orlando, FL, starting in August.

LIBBY plans to be married in October to Mike Mustaine from Columbus, OH. BETSY and DREW are now busy with arrangements for the St. Louis wedding.

Comradship & good conversation are the order of the day as Sunny Colling, DJ St. John, & Betty & Jim Gregory attend a potluck dinner.

MARGY LYON was elected to The Cincinnati Woman's Club Board for a three year term. Her responsibilities will keep her in Cin-

cinnati until June 30th.

In April she went to the Delta Kappa Gamma State Convention in Cleveland, OH and plans to go to the International Convention in Nashville, TN the end of July.

In May she traveled to Williamsburg, VA for a reunion with friends she met on her 1993 Scandinavian trip. It was great fun to see each other, show pictures and videos, and reminisce.

Omena via the InterNet

There is and will never be a good substitute for actually being in Omena, but now anyone with an interest in Omena and who has access to electronic mail can communicate with others via the Omena Email List. First off, it is free, and will stay that way. Those of us already on the list envision its purpose in varying ways, but in general it is intended to build community by the exchange of information, stories, news, envy of recent vacations, etc.... Here are a few questions I often get about the list:

How does it work?

Imagine a very dedicated person (but in the case a computer program) named "Omena". Omena keeps a log of people who have joined the "list". If I then send an email message to Omena, it dutifully makes a copy of my message and sends it to everyone on the log saving me that effort. More importantly, if someone who receives that message then executes a "reply" from her/his computer the message will go to Omena and not just the person who initiated the message. Omena then again dutifully sends a copy of that reply to everyone on the list. In practice it is a little like talking in a room full of people where everyone can hear and be heard by everyone else.

How do I get email access?

There are many ways to do this. Some people have InterNet or bitnet access through their work place. If this is not the case for you, some popular services are Compuserve Information Services and America On Line. They both have 800 numbers and run in the neighborhood of \$8-\$9 a month at the time of this writing. The large services have the advantages of having local phone numbers in most major cities (including Traverse City) so your only real charge is the monthly fee.

How do I join the list or get more information?

Send email to psmith@uiuc.edu or call me (Preston Smith) at (217) 352-6912.

Hope to see you soon on the electronic M-22!

NO-COOK SPICED CHERRY FREEZER JAM

(courtesy of Mary Smith)

- 2 cans (16 ounces each) tart cherries
- 4 cups granulated sugar
- 1 pouch (3 ounces) liquid fruit pectin
- 1/4 cup lemon juice
- 1/2 teaspoon almond extract
- 1/2 teaspoon ground cinnamon
- 1/8 teaspoon ground allspice
- Dash ground cloves
- 1/2 teaspoon red food coloring (optional)

Rinse clean freezer-proof containers and lids with boiling water; drain well. Set aside. Drain cherries; discard liquid. In a large mixing bowl, mash cherries. Add the sugar; mix well. Set aside 10 minutes, stirring occasionally. In a small bowl, combine pectin, lemon juice, almond extract, cinnamon, allspice and cloves; mix well. If desired, stir in red food coloring. Stir pectin mixture into cherry mixture; stir continuously for 3 minutes. Fill containers within 1/2-inch of tops. Wipe off top edges of containers; quickly cover with lids. Let stand at room temperature 24 hours, then place in freezer. After opening, store in refrigerator. Makes 5 cups of jam.

Great performances from young & old were enjoyed by all who attended the talent show.
