OTYC

No. 2

Omena Hymn

We thank the Lord for summer rest
and all thy goodness praise
Which gives to us a place so fair
Such wealth of summer days

We thank Thee for the glorious air
and for these woodland ways
Which songs of birds and sunlight fill
to brighten summer days.

We thank Thee for the wide expanse
for all these shining bays
For health and hope, for love and cheer
Which fill our summer days

Of all rich blessings Thou hast sent
to meet us in our ways.
We thank Thee most for friendly hearts
that share our summer days.

Clara Dillingham Pierson

*(Found by Caroline Oberndorf in her cottage,
which was previously owned by the Piersons)*

The Commodore's Message...

Dear OTYC Members,

Keep faith! Summer is around the corner and warm days and pleasant nights in Omena will shortly be here and hopefully so will you. When we are in Omena the troubles of the world seem that much further away. Here in New York we are continually bombarded by local, national and world-wide problems. It will be a pleasure to escape that for awhile. To sit on my deck with a cold drink and to try and determine the exact time the sun will set over Omena each day is the type of dilemma I can handle. I am looking forward to it!

You will find the Club in good shape. A new floor was put on the lower front porch during the fall as much of that wood was rotting away. Except for possible future expenses with our cement dock, our Club is in good condition. Unfortunately, property taxes and insurance expenses keep rising.

We have a new tennis instructor for the youth program this summer. His name is Jason Petty. He is a student at the University of Florida. His father is tennis coach at the Leelanau School. While in high school he was awarded 4 varsity tennis awards, while winning 3 regional championships and attending 4 state tournaments. He was on the 1st team all conference in the state of Michigan. We have been unable to get a sailing instructor so far. If you know anyone who might be interested please let me know.

The Omena-Traverse Yacht Club Breeze

Official organ of the Omena-Traverse Yacht Club authorized by its Board of Directors in 1948, published twice yearly.

Schedule of Fees

Permanent Membership: Family Initiation Fee (includes children up to 24 years of age): \$250.00

Adult Annual Dues: (ages 24 or more as of January 1): \$65.00 (as voted by the Board in 1994)

Junior Annual Dues: (ages 14 to 23 as of January 1): \$12.00

Guest Membership: Adult Dues per family \$120.00; Adult Dues per single adult \$60.00; Junior Dues (14-23) \$12.00

Advertising Rates: \$15.00 for small ad, \$20.00 for large ad.

To attract sailing and tennis instructors we have raised the salary for these positions. Therefore, it has been necessary to raise the enrollment costs for the youth in the summer programs. The tuition for these programs has not been raised for more than ten years. The Board has increased the cost of each program by \$5 per week. For children of members the cost has increased from \$20 to \$30 per week for the two programs. For non-members the cost has changed from \$15 to \$20 for one program and from \$25 to \$35 for both sailing and tennis.

As in the past few years there will be a pre-season informal open house, Saturday, June 24th at 5:30 PM. Bring your own libation and hor d'oeuvres to share.

If you have any concerns, or any suggestion for improving our club please let me know. Barbara and I will be in Omena by the middle of June.

In ending this letter I would like to give thanks to all of you who have made the Club a special place. Also, a special thanks to Betsy Ehrhardt and Margy Lyon for their excellent work in producing the Breeze. Thanks!!

See you soon,
Jay Grosmark

O.T.Y.C. Annual Meeting Saturday, July 22, 1995 - 10:00 AM

AGENDA

- A. Opening remarks - Commodore Jay Grosmark
- B. Minutes of Last Annual Meeting - John Storey
- C. Treasurer's Report - Sam Cone
- D. Breeze Report - Margy Lyon & Betsy Ehrhardt
- E. Committee reports
 1. Waterfront - Robert Johnson
 2. House and Grounds - Ole Kiersey
 3. Youth Activities - Dennis and Kathy Turner
 4. Social - Marsha Buehler & Joan Kiersey
 5. Membership - Barb Harris
 6. Founders' Fund - Gil Deibel
 7. Tennis - Jack Bishop
 8. Fourth of July Dinner Report
- F. New Business
 1. Nominating Committee report - Tom Buehler
 2. Vote on Board of Directors

News From Our Friends

Exciting news from the JOHN HARRIS family - "Paul is engaged to Terri Bierling of Hudsonville, MI (near Grand Rapids). They will be married on November 25, 1995. Paul is continuing with his Internal Medicine residency in Grand Rapids. Terri, a graduate of Calvin College, is working on her Masters in Psychology, as well as managing a group home for troubled teens at Pine Rest Christian Hospital.

Tim is engaged to Aimee Altevors of San Diego, CA. They will be married on April 27, 1996. Tim continues working for Equifax in Project Management while Aimee, a graduate of UC-Riverside, is working for Altevors Associates of San Diego.

Cindy will receive her elementary teaching certificate from Sierra Nevada College in June. She hopes to find a teaching job in the Lake Tahoe area. She is planning a trip "home" to Omena this July.

.....

The READS have been back to Omena twice in '95 — once in early January to experience a beautiful three day snowstorm ... and once in April to view the new construction to their apartment/garage on Ingalls Bay Road. There will now be some real bedrooms! CHARLOTTE and ALAN have taken advantage of Charlotte's new retirement status and visited friends in Maine and upstate New York, skied in Taos, New Mexico and are heading for a friend's wedding in Florida. Son, Nathan, graduates from Georgetown University Memorial Day weekend, so Charlotte and Alan will be heading for Omena soon afterwards - our first ever full summer in Michigan.

Looking forward to helping with OTYC stuff.

.....

HOLLY SMITH writes that "it has

gram and wearing his OTYC shirt.)

Their daughters lead hectic lives. Kathy in Durham, NC has recently joined the management staff in her company. Kim

became an RN in December and works in oncology at a Battle Creek hospital. They plan to be "up north" when time permits. Joan and Ole will arrive Memorial Day weekend.

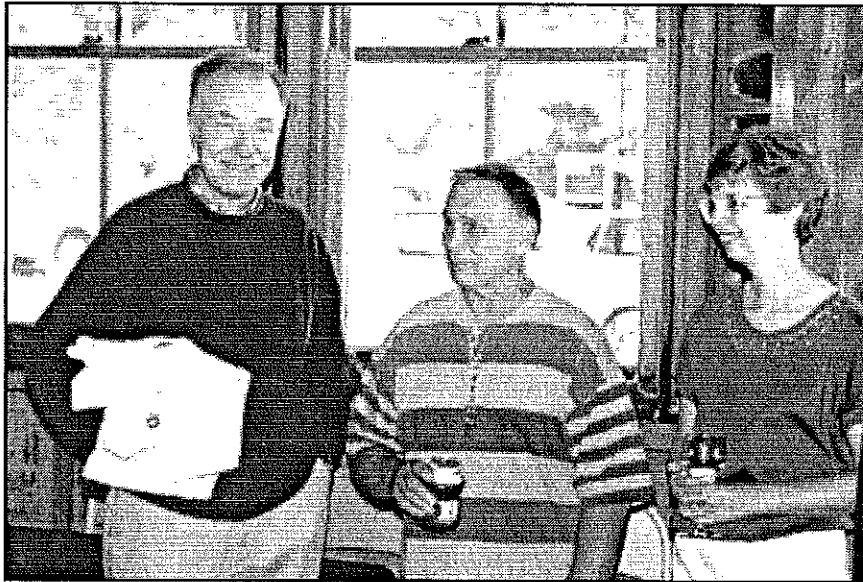

.....

News from the BIEDERMAN family is that "ROBERT L. BIEDERMAN, son of HEIDI KEYE BIEDERMAN, has graduated from Kansas University with a degree in communications. He is currently

fielding offers from and doing interviews with the offices of U.S. Senator Carol Mosley Braun and Mike Madigan of the Illinois legislature and plans to work in the Capitol in Springfield, IL.

WILLIAM H. BIEDERMAN, son-in-law of ELIZABETH KEYE, is in the second year of his new career as a high school teacher. He is currently coaching Varsity Girl's Softball and teaching Business Education at Glenbard East High School in Lombard, IL.

ELIZABETH KEYE is still residing in the community at Plymouth Place in La Grange, IL. She is involved in a "special care" facility and is under the trusted care of a young staff who is currently finishing plans of revitalization and renewal of the unit in which Elizabeth is staying. Elizabeth is about 30 minutes from daughter Heidi, who is still in Glen Ellyn, when not working as an education lobbyist at the Capitol in Springfield.

Spitz Spitz-Nagel shows the new OTYC shirt to his wife Lynn and Ole Kiersey

been a quiet winter in Denver and life is great. I am looking forward to being in Omena from the last of May until the end of July. The children are all doing well. Marjorie, Nate, Preston, Rebecca and Tim joined CRAIG in Istanbul over the Christmas holidays and then toured Egypt and the Nile before returning shortly before the New Year began. We all enjoyed the RENZ wedding in Detroit in January.

.....

JOAN KIERSEY writes that they returned home April 1 after a wonderful winter in the "deep south." Gulf Shores, Alabama was a great place to strengthen leg muscles and now she feels fine. OLE was busy there tutoring a sixth grader who went from a "D" to a "B"! The program is totally volunteer and is growing rapidly. (Your editors are sorry they were unable to reproduce a newspaper picture of Ole accepting a \$100 check on behalf of the pro-

News From Our Friends

Veteran bartenders Jack Bishop and Gil Deibel enjoy serving their many customers.

MARY HELEN RAY writes that "after Christmas LINDA, MICHAEL, JOHN and I spent an interesting week driving around Portugal. We spent time in Sanibel in March and were visited by various members of the family. We plan to sneak off to Santa Fe for a few days for a college reunion before we come to Omena about June 19th."

.....

JOANN and JACK BISHOP have had a couple of great trips this winter! In December they went on safari in Kenya and then a cruise through the Seychelles Islands.

In March they spent a week with friends in Exuma, Bahamas and then two weeks in Baja, CA. They spent one week sailing the Sea of Cortez watching whales, dolphins by the hundreds and sea lions. The second week they were at Cabo San Lucas at the top of the peninsula where Jack caught a giant Mahi-Mahi.

They had a wonderful day with CONNIE and BOB MARTINEAU at Sanibel Harbor. Now they can't wait to return to Omena, May 2, in time for the daffodils.

PAUL GARTHE, INC.

The Appliance People

Traverse City, Michigan

Telephone 946-5357

MARY WOOLFORD has had a good winter and her knee continues to improve. This winter she visited LINDA and AL CHERNE in Tavares, FL in the center of the lake area. They will be stopping to visit her in Cincinnati on their way back to Northport in May.

Mary plans to travel to Omena with KAY HARRIS on May 11 to open her cottage. Then she will be back to stay the middle of June. Her big

trip this summer will be to Copenhagen, Denmark to attend the wedding of her nephew on Aug. 5, 1995.

.....

JAY GROSMARK writes that "our most exciting news is the forthcoming marriage of our son, Steven, during the Memorial Day weekend. He is marrying his girlfriend of seven years. I doubt if they can come up to Omena this summer since he is starting a new job right after their honeymoon. He and I have been in business together during the last few years. BARBARA and I have had a good year. We skied in France and in Colorado this winter and managed to visit Omena once during the fall. If you have e-mail send us a note. We are on American Online at JayWG."

BILL and JUDY KNORP write that "we are very appreciative to many people for enabling us to install a mooring off the Club property for our new sailboat.

In 1994, Commodore VIN MOORE encouraged us to pursue the idea of installing a mooring in front of the Club. At a July meeting BOB JOHNSON introduced the concept of using a Manta Ray anchor which could be driven into the side of the steep slope under water and introduced me to professional diver, David Bradshaw.

We are grateful to Commodore JAY GROSMARK and the Board for accepting a proposal to install the anchor and a Hazelett elastic rod and spar buoy... a cylinder which can be left in the water over the long winter.

Even the bureaucrats cooperated! We applied to the Department of Natural Resources and Corps of Engineers for a permit. Amazingly, the permit was issued and the system installed in November.

The final piece to the puzzle was writing a lease which protected both the Club and us. Many thanks to BILL SANDT for his assistance in writing this document.

The system was installed off the boat ramp which will keep the area immediately in front of the Club free but will allow for additional moorings to the south.

We hope everyone will enjoy seeing our boat bobbing in the water... we can't wait until June when we bring "Anelare" from Northport to Omena."

OMENA

News From Our Friends

Waldo and Ping Abbot and Gina and Vin Moore present the Moore's restored 1939 Cadillac.

GINA MOORE sent a photo of Aunt Jessie Carmichael's 1939 Cadillac. Jessie "barreled around Omena country in it for twenty years, until the purchase of a new station wagon in 1959. During a visit that summer VIN bought it!?!?!? The following Christmas vacation, Vin's folks, Earl and Blanche Moore, drove it to San Diego for us.

Upon their and the Cadillac's much heralded arrival, Blanche was immediately put in the hospital with pneumonia. It seems there were many air leaks around the doors, etc. and a non-working heater! - All four of our children drove the Cadillac constantly during their high school years. It's tank-like proportions gave us parents a feeling of their security and the knowledge of their whereabouts. About ten years ago Vin had it restored and now it's too "good" to use!?!?"

.....

JOE, CATE and JOHN VARLEY are enjoying their first year in Uganda. We have seen elephants, warthogs, giant forest hogs, incredible birdlife, hippos and

crocodiles in game reserves, and so are heartened that the game is gradually returning after being hunted down during Uganda's 20 years of civil war.

The family did a day hike through a gorge (crossing and re-crossing a river

on wet logs and tarzan bridges) to view chimps and other primate families recently "habituated" to humans. They watched us as much as we watched them.

The down side of life in this pretty country is the overwhelming presence of AIDS in everyday life. The "productive" adult segment of society is being decimated. Some villages have more than 50% child-headed households. There are many issues related to economic growth and the education and subsistence of the 2 million AIDS orphans which are difficult to address. Certainly it is very difficult to accept the constant deaths of adults in their 30s and 40s.

Joe has spent time in Rwanda, as the U.S.A.I.D. mission re-opened in the bombed-out, mortared building - helping to re-organize the staff who remained alive.

Maura will graduate from high school in Orinda, CA. where she has lived with Cate's sister's family this year. She, Cate and Anna will be in Omena by mid-June. John and Joe will arrive in early July, and everyone except Joe will stay through the summer, until time to take the girls to the University of Michigan. We very much

look forward to seeing everyone in Omena. We intend to boost the Omena economy in July with a reunion of our Guatemala Peace Corps group at our farm!

.....

BETSY and DREW EHRHARDT and MARGY LYON visited Libby and Mike Mustaine in Orlando, FL the last week in March. They had a wonderful time with them and were able to see many of the tourist attractions. They went to the University of Central Florida to see the campus and especially Libby's office in the Sociology Building.

BOB and MARTHA EHRHARDT are expecting twins in August. Betsy and Drew were with them in Baltimore, MD at Easter.

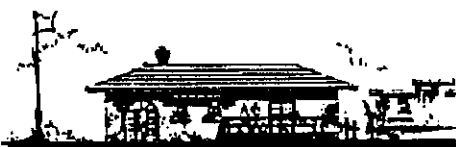

Margy plans to attend the Chi Omega Centennial celebration in Memphis, TN June 23-25 and will also attend the Delta Kappa Gamma Convention in Buffalo, NY the first week in August.

Margy, Betsy and Drew will be in Omena the last week in June.

Wildflowers by Trudy Lewis

Mayflower (*Hepatica*)

This is one of the first Spring flowers. The flowers are lavender, pink or white. We have two kinds, one with pointed leaves and the other with rounded leaves. The rather thick leaves last all winter.

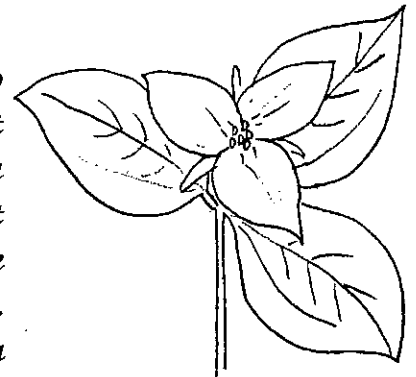

Spring-Beauty

This is also an early flower. The half inch blooms are pink with darker pink stripes. The tuberous roots were used as food by both the Indians and the early settlers. Fragrant.

Trillium

Trillium blooms from mid May to early June. It is first white but changes to pink as it ages. If you see a green flower it indicates that the plant has a disease. It has three leaves, three sepals and three petals. It takes several years to flower from seed, and is a tuberous plant.

Forget-Me-Not

Omena Point is famous for the beautiful blue forget-me-nots. I am told that they are escapees from Mrs. Bradley's garden. A biennial that easily reseeds, it is now on the east side of the point in any spot that gets spring sun. Some of them are white.

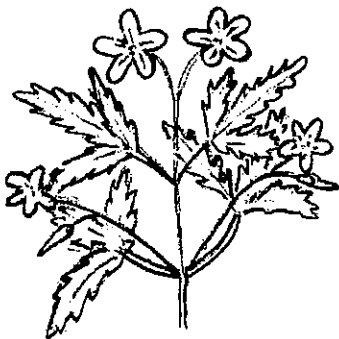

Trout Lily

(Adder's Tongue,
Dog-toothed Violet)

This yellow flower is found in the woods before the trees leaf out. It grows from a corm and is usually found in colonies.

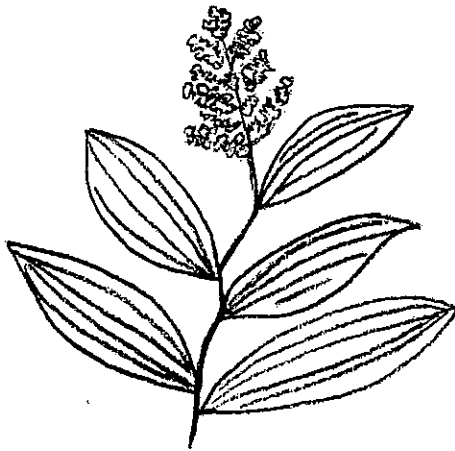

Herb Robert (Red Robin)

This is a smaller relative of wild-geranium. It blooms from early spring to October usually with one or two flowers in bloom at one time. It is bright pink and common in the woods.

Wildflowers by Trudy Lewis

False Solomon's Seal (Spikenard)

This is a tall plant that bends toward the ground. It has small white flowers at the end of the plant stem. It is this plant that has mottled yellowish-white berries that later turn translucent red. Solomon's Seal (not pictured) is also in our area. It has similar leaves but the greenish-yellow bell shaped flowers droop in pairs from the leaf axils.

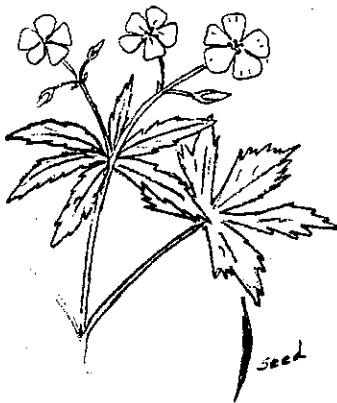

Jack-In-The-Pulpit

(Indian Turnip)

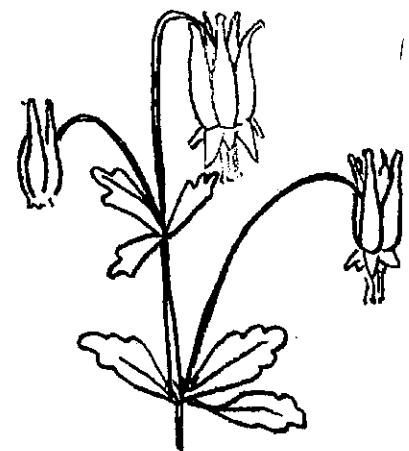

Look in the woods near wet places for this plant, although it also grows in drier woods. Jack is an upright plant with two tripartite leaves. In late summer it has a cluster of red toxic seeds.

Wild Geranium

This plant is widespread in the woods of our area. It has pink flowers and lacy leaves. It is also called cranesbill for the shape of its seed. This is the seed that sticks to you and your animals when you walk through the late summer woods.

Wild Columbine

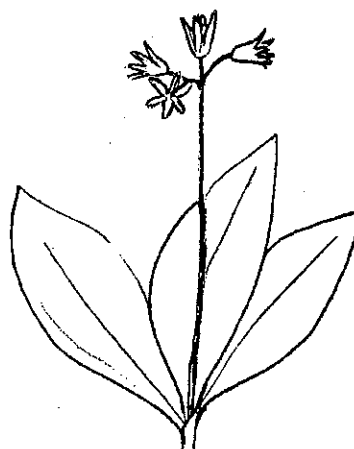

This plant blooms from late May into early summer. Look for it along the road near Firelane 6. It is red and yellow.

Dutchman's-Breeches

Another early spring woods flower is Dutchman's-breeches. It also grows from a corm. It is white, and has a fragrance.

Clintonia

This is a yellow to greenish flower with dark lustrous leaves. In late summer it has toxic blue berries.

Meet Our New O.T.Y.C. Members

JOEY AND LARRY BENSLEY

We feel extremely lucky to have been raised in the Traverse City Area. Larry and I went to school together and after our marriage moved to Portsmouth, NH where for three years, Larry taught high school. In 1962 Larry was hired as a professor at Central Michigan University in Mt. Pleasant. We moved there with our two boys, Jim and Bob, who were born out East. In 1964 we again traveled to New England for a year and lived in Rockport, Mass. At the time Larry was working on his doctorate at Boston University. Our daughter, Karie, was born before we returned to Mt. Pleasant. Last but certainly not least, was our youngest son, Bill, who was born in Mt. Pleasant.

For 27 summers we loaded the children, dogs, cats, horses, etc. into cars and moved to our cottage on Lake Michigan at Cathead Point. All four children spent their teen years working in the summer at various jobs in the area. Some of our fondest memories as a family are from the summers spent at the cottage. In addition we have many wonderful memories from time spent in England where Larry was doing research.

Five years ago we were fortunate to have the opportunity to buy the beautiful, old Craker farm on Craker Road. We are restoring it to the original as much as possible and even though it is a tremendous amount of work, we love every minute of it.

Larry is still teaching at Central Michigan three days a week as he loves his work, but he is also looking forward to retirement in a year or two. We have thoroughly enjoyed the OTYC and look forward to many happy times there.

Allison and Marcia Biskupski raise the sail in preparation for the Parent & Child Sunfish Race.

JUDY & WALT SUHRE

In August, 1993 Judy and Walt bought 4548 Omena Point Road, the former Bowman residence. Since, they've enjoyed their "little place in Paradise" both winter and summer, they look forward to many years in Omena.

Judy, an "Okie" by birth, grew up in northwestern New Jersey. She received an Associate Degree in Fashion Design from the Fashion Institute of Technology in New York, her Bachelors in Fine Arts from Hunter College. Ten years after Walt and she married, she returned to college full-time at Washington University in St. Louis to earn her Masters in Architecture in 1988. Judy works independently, principally in renovating and expanding residential properties in St. Louis, Missouri.

Walt, born and bred in the Cincinnati area, received his undergraduate degree from Northwestern University. Following three years' active duty in the U.S. Marine Corps, he returned to Cincinnati where in 1962 he received his LL.B. from the College of Law of the University of Cincinnati. After 20 years of practicing law in the Cincinnati area, in 1982 Walt moved to St. Louis to assume responsibility for the legal affairs of Anheuser-Busch. (Hence his fanatical dedication to BUDWEISER, unless it or no other Anheuser-Busch product is available when he has been known to "check out the competition".) After seven months of "decompression" following his retirement on January 1st (as much of which as possible was spent in Omena), Walt successfully completed, in August, a course in Beginning Clowning at St. Cloud State University. Walt intends to apply his newly acquired knowledge to entertain children in hospitals in the St. Louis and Northwestern Michigan areas.

The Suhres enjoy sailing, tennis and long walks on the Point with their two Westies. Walt is also a serious photographer. They are pleased to have been admitted to OTYC and look forward to meeting more members and to participating in activities at the club.

Nominees for 1995 Annual Meeting

This year your Nominating Committee will present for re-election three incumbent Directors: Jay Grosmark, Ed Oberndorf and Carolyn Marbach. Jay and Ed have each completed one full term and Carolyn has been a Board member for two years. All have demonstrated dedication to the Club and have performed diligently in its service. We recommend them unreservedly.

Accordingly, your Nominating Committee will offer the following resolution for adoption at the Annual Meeting of members in July, 1995:

RESOLVED, that Jay Grosmark, Ed Oberndorf and Carolyn Marbach be and hereby are elected to serve as Directors of the Omena Traverse Yacht Club for three-year terms commencing September 16, 1995 and ending September 15, 1998.

The duty and purpose of the Nominating Committee is singular - to screen and recommend qualified candidates for the Board to the general membership. OTYC needs a continuing series of willing, qualified candidates to sustain its efforts to serve its membership. If you know of potential candidates, please advise so that we may contact and consider for future years. Your help will be most appreciated.

See you in Omena.
THE NOMINATING COMMITTEE
Tom Buehler, Chairman
Mary Woolford, Bill Graf, Annette
Deibel, Bill Mason

Treasurer's Note

Original receipts to be refunded for "out of pocket" expenses incurred by members for social activities, extended season events or maintenance of OTYC for 1995 should be given to the Treasurer, Sam Cone.

In Memory Crampton Finn

The Club was saddened to learn of the death of Crampton Finn, a longtime member of OTYC. He died of heart failure on January 22, 1995 at his home in Florida at the age of 97. His wife, Marion, was at his side.

Crammy was the ninth Commodore of OTYC from 1964 - 1966. He was an avid and experienced sailor who often skippered Mary Foltz's Lightning in OTYC races. He taught many a member the fundamentals of sailing and racing.

Many of us remember the delicious strawberries he raised and the beautiful view from his log cabin home in Suttons Bay.

It was nice to see and visit with him when he attended one of the Potlucks with Marion last summer.

Marion's present address is:

New Message Board

Early birds to Omena, be sure to check out our new message board on the Omena Point Road O.T.Y.C. signpost for activities before the July 1 official opening. Ole Kiersey made the weather-protected message center. Hopefully we'll begin before Memorial Day. Dates and times will be posted.

We're also hoping for a bridge group this year. Sign up will be on the inside bulletin board after Memorial Day, or call Betty Gregory.

If you wish to propose anyone for membership, please contact Connie Martineau or Barbara Harris.

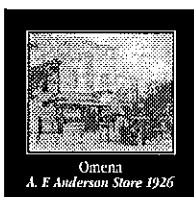

Omena Historical Society

Last August over 175 guests shared a most interesting and nostalgic evening presented by the Omena Historical Society.

A very successful membership drive for the OHS was launched last fall. As of May 1st there are 75 members with \$3,300 having been raised to date. The proceeds will underwrite the gathering of historical data and a future historical publication focusing on 1900 to the present.

An organizational meeting to elect officers, form committees and define objectives is scheduled for July with some historical events in July and August. The formation committee would like to encourage all of you to join the OHS. "IT IS YOUR HISTORY"

NEW BOARD POLICIES

1. Since our membership has expanded and our potlucks have strained the safety and size of our facilities, the Board has been compelled to make some restrictions for the safety and welfare of our members. Therefore we adopted the following policy:
 - a - Potluck dinners are limited to 160 people.
 - b - Sign-up deadline is 10:00 a.m. of the Monday preceding the potluck. It is requested that hostesses wanting to bring more than seven guests wait until after the 10 a.m. Monday deadline, (but before noon) to check on availability. If room, register by calling the pot luck chairman. Hostesses canceling should notify potluck chairman.
 - c - We regret that we can no longer accommodate large family gatherings at the potlucks and suggest use of the facilities on another night.
 - d - It is requested that no hostess bring table service to be set before 3:00 p.m. on the day of the potluck, so that potluck chairmen have time to properly position tables and chairs to accommodate everyone.
2. Attention all Youth Program Participants: A serious problem of youthful vandalism occurred during the latter part of the 1994 Youth Program. In order to make sure that behavior of this type does not occur again, any disruptive youth program member will be required to have his or her parent in attendance with their child at all subsequent youth program activities.
3. The OTYC Board will not allow anyone to do any repairs, refurbishing, alteration, decoration or additions to the building or facilities without prior approval by the Board.

4. Any member of the OTYC who has questions about the behavior or performance of any people hired by the OTYC must NEVER question, order, or criticize an employee directly. Any problems should be taken up with a Board member or the appropriate committee chairperson. All our employees are highly valued, competent workers whose continued presence is essential to the operation of the OTYC.
